[Good Conclusion Starters For Research Papers](#)

Restate the topic. You should briefly restate the topic as well as explaining why it is important. Do not spend a great amount of time or space restating your topic. A good research paper will make the importance of your topic apparent, so you do not need to write an elaborate defense of your topic in the conclusion.

[How to Write a Conclusion for a Research Paper \(with Pictures\)](#)

#3 State the importance of your argument: definitely one of the best ways on how to start a conclusion for an argumentative essay; however, the same principle can be applied to a whole range of other assignments — especially research papers. Even though you will probably be describing the importance of your argument in the introductory part of the paper, it is still a nice idea to come back to it in conclusion.
