Vanilla has reinvented forums and offers a modern user experience that your customers have come to expect.

Modern Community Forum Software Features - Vanilla Forums

Obviously even when browsing those forums on the clearnet I use a VPN, but I would still feel more comfortable if there was an onion alternative. Sorry if this is a noobish question, but it really doesn't make sense that the cracking community wouldn't move to Tor, considering the kind of stuff that goes on within the community.

Any cracking/hacking forums in the deep web? : onions
