Author: Alexandra Adornetto Having read the other two books of Adornetto made me so excited about this novel, Heaven by Alexandra Adornetto. Too much anticipation and expectations have brought me to turn this book down. Unfortunately, it wasn't as good as I expected it to be.

Only sixteen when she started the series, Ally Adornetto knows how teen hearts beat, and this long-awaited conclusion is certain to be her most popular book yet. Bethany, an angel sent to Earth, and her mortal boyfriend, Xavier, have been to Hell and back. But now their love will be put to its highest test yet, as they defy Heavenly law and marry. They don't tell Beth's archangel siblings, Gabriel and Ivy, but the angels know soon enough, and punishment comes in a terrifying form: the Sevens, who are rogue angels bent on keeping Beth and Xavier apart, destroying Gabriel and Ivy, and darkening angelic power in the heavens. The only way Bethany and can elude the Sevens is to hide in the open, and blend in with other mortals their own age. Gabriel and Ivy set them up at college, where they can't reveal their relationship, and where there is still danger around each corner. Will Bethany be called back to Heaven - forever - and face leaving the love of her life?

Bethany, an angel in love with the mortal boy Xavier, is tricked into a motorcycle ride that ends up in Hell, where a demon bargains for her life in exchange for something that may destroy her loved ones.

Three angels are sent down to bring good to the world: Gabriel, the warrior; Ivy, the healer; and Bethany, a teenage girl who is the least experienced of the trio. But she is the most human, and when she is romantically drawn to a mortal boy, the angels fear she will not be strong enough to save anyone—especially herself—from the Dark Forces. Is love a great enough power against evil?

After her mother's sudden death, Chloe's childhood ability to see ghosts returns and she encounters the spirit of a man 157 years dead whose ghostly past love will stop at nothing to destroy anyone who threatens to take him away.

A 2004 ECPA Gold Medallion Finalist! One of Preaching magazine's 2004 "Top Ten Books Every Preacher Should Read"! Neo-paganism. The paranormal. Astrology. Nature religion. Holistic thinking. Healing. New Age. New spirituality. A massive shift in Western religious attitudes has taken place almost without our noticing it. The Judeo-Christian tradition of Western culture has slowly but steadily been eclipsed by a new way of viewing spirituality. This shift has been in the making for some three hundred years. James A. Herrick tells the story of how the old view has been dismantled and a new one created not primarily through academic or institutional channels but by means of popular religious media--books, speeches, magazines and pamphlets, as well as movies, plays, music, radio interviews, television programs and websites. Although the new spirituality is diffuse and eclectic in its sources and manifestations, Herrick demonstrates a significant

convergence of ideas, beliefs, assumptions, convictions and images in the myriad ways this New Religious Synthesis makes its way into our culture. In fact, the new spirituality, says Herrick, directly calls into question each major tenet of Judeo-Christian tradition and so represents a radical alternative to it. Interest in spirituality increases while participation in institutional religion wanes. Many welcome this evolution of religion. However, few are familiar with its roots, and fewer still have critically examined its prospects. As we stand at a spiritual crossroad, Herrick questions whether we are wise to discard the Western religious tradition and adopt the new spirituality.

A mysterious island; a terrifying weapon; an ancient prophecy brought to light... When the annual frost-dragon migration fails to happen, Dr Drake and his apprentices Daniel and Beatrice sense that something sinister is afoot - could dark dragonologist Alexandra Gorynychka be up to no good again? The trio are whisked off to the Lost Isle of Dragons, where they must face grave danger to prevent their enemy from finding the Hammer of the Dragons: a legendary weapon deadly to all dragonkind. Age-old rivalries are laid bare in this thrilling climax to the Dragonology Chronicles.

When Violet Eden loses the key to the gates of Hell she is forced to make a choice that carries apocalyptic consequences When you're hanging off the edge of a volcano, how do you make the most important decision of your life? For Violet Eden the decisions between right and wrong are getting harder and harder. Because apparently being a half-angel Grigori doesn't always make you right. Where is the good in having to choose between the life of her best friend and saving humanity? How does she balance a soul-crushing need for her Grigori partner, Lincoln, and the desire to keep him safe at all costs? And what if the darkest exiled angel of all, Phoenix, isn't as bad as she thought? Both sides-Angels vs. Exiles-are racing to decipher an ancient scripture that would allow anyone banished to the Underworld to return. And at the very center: Violet. She only has one chance to make the right choice... The Embrace Series: Embrace (Book 1) Entice (Book 2) Emblaze (Book 3) Endless (Book 4) Empower (Book 5) Praise for the Embrace Series: "A delicious romantic triangle." -USA Today "One of the best YA novels we've seen in a while.
