History Of Medicine Books - Goodreads

The Cambridge History of Medicine, first published in 2006, surveys the rise of medicine in the West from classical times to the present. Covering both the social and scientific history of medicine, this volume traces the chronology of key developments and events, while at the same time engaging with the issues, discoveries, and controversies that have beset and characterized medical progress.

history of medicine | History & Facts | Britannica

The history of medicine therefore touches on a lot more than the facts of anatomy and physiology. Bodies are subject to law, culture, desire, politics, and more. The maintenance of bodies always intersects with other, bigger questions.

bookriot.com

The foundational text of Chinese medicine is the Huangdi neijing, (or Yellow Emperor's Inner Canon), written 5th century to 3rd century BCE. Near the end of the 2nd century CE, during the Han dynasty, Zhang Zhongjing, wrote a Treatise on Cold Damage, which contains the earliest known reference to the Neijing Suwen.
