He looks like a warrior towering over me, the top of my head barely meeting his shoulder. His dark hair is cut short. His facial features are all hard lines, but when a small smile pulls at his lips, his face completely changes, making his dark brown eyes seem soft. The ring of green on the outside of his irises seem to come to life. It makes me want to do something to make him smile again.

His thick cock is long and hard, the tip glistening with need. I hold him in my hand, pumping him a few times before guiding him to my opening. He hisses at the touch, and we both moan with need as he enters me. My hands go to his back, holding to him as he wets his cock on my arousal and plunges deep inside me.
