Always write (" I don ' t do phone calls "), quote the law they ' ve broken (each section begins with a thorough guide), state clearly what you want (everything plus compensation), and end the letter with your next step if you don ' t get it (right up to court action). How to Complain is by turns homely and thorough.

How To Complain: The Essential Consumer Guide to Getting ...

Rule 1.Know what you want to achieve. The most effective complainants are those who have a clear idea of what they want to achieve from their complaint, and who set it out clearly to the person to whom they are complaining. If you want a refund, for a product or service that didn't live up to your expectations, say so.
