Welcome to IB Biology

The body of knowledge known as biology is growing at an immeasurable rate.

Fortunately, scientists are also able to organize these many facts around several core concepts. In IB biology, students will learn to be the scientist in exploring the interrelationships

between these core
concepts using a variety
of methods.

Remembering your ATLs
and relying on your own
skill and determination is
what will prove to be the
biggest asset in IB
Biology. It is also very
important to keep in
