Standard Details.

The intent of this  
document,

# Access PDF IEEE Standard C

ANSI/IEEE Std  
716-1985, IEEE  
Standard Common  
ATLAS (CIATLAS), is  
to define a high  
order language  
which is a subset of  
Level 18 of IEEE  
Std 416,  
Abbreviated Test  
Language for All  
Systems (ATLAS).  
The language  
described in this

# Access PDF IEEE Standard C

document is to be used for the writing of test programs for Units Under Test (UUTs), so that these programs can operate on various makes and models of Automatic Test Equipment (ATE).
