Many people will find it hard to pass an immigration visa interview. And indeed, it is one of the most difficult steps you have to pass to be able to immigrate to the country where you wish to work or settle in. If you are worried about your upcoming immigration visa interview. You will find usually 2 methods for getting an immigrant visa, as a way of working and living in the US like an "authorized permanent citizen" (also referred to as a green card holder). One is actually by means of a family-based application, and the other by means of an employment-based application. This post offers a basic summary of the processing of the family-based immigrant visa application. Among what you are about to learn Immigration Law - Visa Categories - Visa processing is an important service provided by the consulate section of an embassy or by the consulate general of a country. It is important to follow the requirements exactly as given so that you avoid delays in the process or, even, the rejection of your application. How to Apply for a Travel Visa - It is important to understand that a travel visa stamped in your passport is not a guarantee that you will be allowed to enter your destination country. The visa is merely permission to travel to a port of entry. It is at this port of entry that an agent will examine your documents and determine whether you will enter the country or not. How to Prepare for An Immigration Visa Interview - There are various steps to get an immigration visa or entry clearance, which you need to enter a foreign country legally. All required documents must be prepared and completed, the application form completed, and then all submitted to the consular office or local embassy of the country you wish to attend. For the many thousands of people who have submitted an immigration application the agonizing wait for news can last months, or in many cases years. As time passes the doubt begins to creep in. This book provides you all the useful information on how it is easy for the Immigrant Visa Process.

## Read Book Immigrant Visa Documents

In "Coming to America" The untold truth about living and working in America as an immigrant, award-winning author Muchina, says it's time that someone finally told the bitter truth about what it's like to live and work in America as an immigrant. Over a million people migrate to the United States every single year. What most of them don't know is that life in America is completely different from the America they see in the News or movies or American TV shows. In "Coming To America" Muchina talks directly to new immigrants as well as those planning on migrating to the United States in the future. With well-researched statistics and figures, he details the income of an average immigrant as well as the true cost of living and the sacrifices required in order to have a decent life while supporting family back home. Close to a million immigrants become undocumented every year. Muchina dedicates a few chapters to speak to those that may end up overstaying their visas or falling out of "Status" for various reasons. The challenges faced by undocumented immigrants are many, but millions of them find ways to get jobs, buy cars, rent apartments and even start their own businesses. The question is "How do they do it?" Those answers plus alternative documents the government makes available for undocumented people to open bank accounts and pay taxes to states that offer driver's licenses to undocumented residents; all found within the pages of this book In the final chapters of the book, Muchina shares his story of how his obsession with the pursuit of the American dream cost him everything he owned and nearly destroyed his life in the process. He tells his compelling poignant story as a warning to others whose desire to make a lot of money may lead them down the wrong paths with dire consequences. Mostly, with his deep understanding of how the American system works, he brings the wisdom of knowing "What not to do" as well as what aspects of life one must protect in order to build a decent and fulfilling life in America. In his own words, Muchina says 'This book is everything I wish someone had told me when I first came to America' So, If you're planning to migrate to America, this book will help you answer some of the most important questions you may have such as What are the 5 top myths about

to spare you from the same fate so you have a chance to succeed and get yourself a piece of the American Dream.

While the United States remains a nation of immigrants, the path to citizenship is not an easy one—and in fact has become more difficult in recent years. In clear, readable language, this volume explains in detail every step an individual must take to obtain a nonimmigrant visa, an immigrant visa leading to permanent residency, or actual citizenship. This book is essential reading for anyone involved with immigration—whether for themselves, a relative, or an employee. Examples of common immigration forms for the individual and for families are included and a list is provided of the most important websites for immigration issues.

Explains the process of obtaining a green card, including documents, forms, and laws pertaining to qualifying and filing for a visa, and information on the INS interview and immigration court procedures.

Highly recommended---Instructive and explanatory - United States Information Agency - Well worth the investment -- considerably less than what one would pay for an hour's consultation with a lawyer.- Irish
