Intended for use with the authors' casebook, Immigration Law and Social Justice (2018), Immigration Law and Social Justice, 2020 Case and Statutory Supplement covers new federal cases, enforcement policies, and administrative decisions since the book's publication. The 2020 Case and Statutory Supplement features: Supreme Court cases: Trump v. Hawaii (2018)-The third iteration of the President's travel ban was deemed constitutional in that it included more than just Muslim-majority countries and there was consultation throughout the relevant administrative agencies. Sessions v. Dimaya (2018)-The term "crime of violence" is impermissibly vague with relation to the aggravated felony ground of deportability. Pereira v. Sessions (2018)-A defective Notice to Appear does not stop the clock in accumulating physical presence for purpose of cancellation of removal as a non-lawful permanent resident. Federal court decisions: Barbosa v. Barr (2019)-A conviction of robbery in the third degree under a particular Oregon statute is not categorically a crime involving moral turpitude. Ms. L, et al., v. ICE (2018)-The separation of migrant children from their parents at the border violates due process and is not in the public interest. County of Santa Clara v. Trump (2017)-The President's executive order to withhold certain federal funds for so-called "sanctuary jurisdictions" violates the Tenth and Fifth Amendment rights of the cities and counties involved. Additional Updates regarding administrative decisions and actions made between 2017 and 2019.

The comprehensive reference guide to American law features entries written by more than three hundred experts on everything from the Salem witchcraft trials to wiretapping.

A landmark in legal publishing, The Oxford Companion to the Supreme Court is a now classic text many of whose entries are regularly cited by scholars as the definitive statement on any particular subject. In the tradition of that work, editor in chief Kermit L. Hall offers up The Oxford Companion to American Law, a one-volume, A-Z encyclopedia that covers topics ranging from aging and the law, wiretapping and electronic eavesdropping, the Salem Witch Trials and Plessy vs. Ferguson. The Companion takes as its starting point the insight that law is embedded in society, and that to understand American law one must necessarily ask questions about the relationship between it and the social order, now and in the past. The volume assumes that American law, in all its richness and complexity, cannot be understood in isolation, as simply the business of the Supreme Court, or as a list of common law doctrines. Hence, the volume takes seriously issues involving laws role in structuring decisions about governance, the significance of state and local law and legal institutions, and the place of American law in a comparative international perspective. Nearly 500 entries are included, written by over 300 expert contributors. Intended for the working lawyer or judge, the high school student working on a term paper, or the general adult reader interested in the topic, the Companion is the authoritative reference work on the subject of American law.
