Katherine Frank's solidly researched narrative is particularly good on the early years of Indira Gandhi (1917-84), cogently delineating her complex relationship with her father, nationalist hero Jawaharlal Nehru, which was intimate when they were pouring out their feelings in letters, but strained when they were actually together.

Indira: The Life of Indira Nehru Gandhi: Frank, Katherine ...

On the morning of October 31, 1984, as she walked through her garden, smiling, with hands raised and palms pressed together in the traditional Indian namaste greeting, Indira Nehru Gandhi was assassinated by her own bodyguards. She died as she had lived, surrounded by men, yet isolated. It was a violent end to a life of epic drama.

From an acclaimed economist and politician, a unique, never-before-seen look at the life of one of India ' s most well-known prime ministers—Indira Gandhi—and her work to protect the environment and champion the preservation of nature and the climate. Indira Gandhi, prime minister of India for sixteen years, was as charismatic as she was controversial—both admired and criticized for her political judgments and actions. Yet what has never been fully revealed is her lifelong commitment and love for nature and how that defined her very being. Weaving personal, political, and environmental history, politician and scholar Jairam Ramesh presents a compelling portrait of an extraordinary public figure. He chronicles how and why she made a personal passion a public calling, how her views on the environment remained steadfast even as her political and economic stances evolved, how her friendships with conservationists led to far-reaching decisions to preserve India ' s biodiversity, how she urged, cajoled and persuaded her colleagues in making significant decisions regarding forests and wildlife, and how her own finely developed instincts and initiatives resulted in landmark policies, programs, and laws that have endured to this day. Drawing extensively from unpublished letters, notes, messages and memos, Indira Gandhi: A Life in Nature is both a lively, engaging narrative about the little-known parts of Indira Gandhi ' s life, and also sheds important light on climate change and sustaining the environment—today ' s most pressing global issues.

The gripping story of an explosive turning point in the history of modern India On the night of June 25, 1975, Indira Gandhi declared a state of emergency in India, suspending constitutional rights and rounding up her political opponents in midnight raids across the country. In the twenty-one harrowing months that followed, her regime unleashed a brutal campaign of coercion and intimidation, arresting and torturing people by the tens of thousands, razing slums, and imposing compulsory sterilization on the poor. Emergency Chronicles provides the first comprehensive account of this understudied episode in India ' s modern history. Gyan Prakash strips away the comfortable myth that the Emergency was an isolated event brought on solely by Gandhi ' s desire to cling to power, arguing that it was as much the product of Indian democracy ' s troubled relationship with popular politics. Drawing on archival records, private papers and letters, published sources, film and literary materials, and interviews with victims and perpetrators, Prakash traces the Emergency ' s origins to the moment of India ' s independence in 1947, revealing how the unfulfilled promise of democratic transformation upset the fine balance between state power and civil rights. He vividly depicts the unfolding of a political crisis that culminated in widespread popular unrest, which Gandhi sought to crush by paradoxically using the law to suspend lawful rights. Her failure to preserve the existing political order had lasting and unforeseen repercussions, opening the door for caste politics and Hindu nationalism. Placing the Emergency within the broader global history of democracy, this gripping book offers invaluable lessons for us today as the world once again confronts the dangers of rising authoritarianism and populist nationalism.

Indira: The Life of Indira Nehru Gandhi: Amazon.co.uk ...

Judith Brown explores Nehru as a figure of power and provides an assessment of his leadership at the head of a newly independent India with no tradition of democratic politics.

This is the first definitive biography of arguably India ' s most influential and powerful civil servant: P.N. Haksar, Indira Gandhi ' s alter ego during her period of glory. Educated in the sciences and trained in law, Haksar was a diplomat by profession and a communist-turned-democratic socialist by conviction. He had known Indira Gandhi from their student days in London in the late-1930s, even though family links predated this friendship. They kept in touch, and in May 1967, she plucked him out of his diplomatic career and appointed him secretary in the prime minister ' s Secretariat. This is when he emerged as her ideological beacon and moral compass, playing a pivotal role in her much-heralded achievements including the nationalization of banks, abolition of privy purses and princely privileges, the Indo-Soviet Treaty, the creation of Bangladesh, rapprochement with Sheikh Abdullah, the Simla and New Delhi Agreements with Pakistan, the emergence of the country as an agricultural, space and nuclear power and, later, the integration of Sikkim with India. This power and influence notwithstanding, Haksar chose to walk away from Indira Gandhi in January 1973. She, however, persuaded him to soon return, first as her special envoy and later as deputy chairman of the Planning Commission where he left his distinctive imprint. Exiting government once and for all in May 1977, he then continued to be associated with a number of academic institutions and became the patron for various national causes like protecting India ' s secular traditions, propagating of a scientific temper, strengthening the public sector and deepening technological self-reliance. Successive prime ministers sought his counsel and in May 1987, he initiated the reconstruction of India ' s relations with China. He remained an unrepentant Marxist and one of India ' s most respected elder statesman and leading public figures till his death in November 1998. Drawing on Haksar ' s extensive archives of official papers, memos, notes and letters, Jairam Ramesh presents a compelling chronicle of the life and times of a truly remarkable personality who decisively shaped the nation ' s political and economic history in the 1960s and 1970s that continues to have relevance for today ' s India as well. Written in Ramesh ' s inimitable style, this work of formidable scholarship brings to life a man who is fast becoming a victim of collective amnesia.

Reminiscences of the author, special assistant, 1946 to 1959, to Jawaharlal Nehru, 1889-1964, former Prime Minister of India.

Feroze Gandhi is often remembered as Indira Gandhi ' s husband and Jawaharlal Nehru ' s son-in-law. But who was Feroze Gandhi? A Congress worker, a young freedom fighter, a parliamentarian, or just another Gandhi? Diving into the history of the Nehru–Gandhi family, the Swedish journalist Bertil Falk brings together his 40-year-old research in this biography of Feroze Gandhi. Including first-hand interviews of people close to Feroze and personal experiences of the author with some rare photographs, this volume brings to light his significant, yet unrecognized, role as a parliamentarian, in cases such as the Mundhra case, Life Insurance and Freedom of Press Bill. It also busts some myths about Feroze ' s controversial birth, his personal life, his importance as a politician, and his relationship with the Nehrus. With interesting details about Feroze as a young boy in Allahabad, to his years as a freedom fighter, journalist, Congressman and a politician, this volume examines the chronology of events that shaped the life of Feroze.
