The politics of Indonesia take place in the framework of a presidential representative democratic republic whereby the President of Indonesia is both head of state and head of government and of a multi-party system. Executive power is exercised by the government. Legislative power is vested in both the government and the two People's Representative Councils.

As the number of Indonesians living abroad increases, the government is considering the possibility of allowing dual citizenship. The debate on whether or not an Indonesian should be granted dual citizenship continues as Coordinating Maritime Affairs Minister Luhut Pandjaitan recently made a statement showing his support for Indonesians who settle overseas to return to the country.

After independence, the community was divided between those who accepted Indonesian citizenship and those who did not. Under the New Order of President Suharto, citizens of Chinese descent were formally classified as "Indonesian citizens of foreign descent" (Warga Negara Indonesia keturunan asing).

Since 1998 Indonesia also witnessed a successful transition to electoral democracy. Whether democracy will take root in a more substantial way depends on the extent to which a notion of citizenship can be reinforced. It is argued that this notion of citizenship can only be maintained through the strengthening of the rule of law.

For Indonesia, the presidential and parliamentary elections taking place in April will be a key event in 2019. And the big question, of course, is who will win at the polls and occupy the Istana in Jakarta for the next five years. While the coming presidential election may seem like a "rematch" between Joko "Jokowi" Widodo and Prabowo Subianto, as both
