Canadian- produced goods were traditionally more price competitive on international markets. As the value of the Canadian dollar rises relative to the U.S. dollar, this price advantage is eroding, making Canadian goods less attractive. Canadian companies must work to reduce costs to maintain profit margins at low prices or begin to differentiate to compete in ways other than price. Diff: 2 ...

International Marketing Edinburgh Business School xiii Preface Whether or not a company wants to participate directly in international business, it cannot escape ever-increasing competition from international firms. We are coming to a situation where hardly any company can claim that it is a domestic one. The globalisation of the marketplace is already a reality, but it led us to some misunder ...
