Jerome has achieved a mighty  
feat and put together  
something that I have been  
returning to time and time  
again for inspiration,  
reminding and guidance.  
Quite frankly, I find it  
sheer merriment to simply  
open Jerome's tome to any  
random section and start  
reading.

jeromf The author, Jerome Finley, is a vastly experienced hypnotist, therapist and mystery performer. Working without a stage set or proper decoration? For connoisseurs of magic, we progressed to even finer things: Thought Veil technique by Jerome Finley. I've taken a 15 or 20 minute Meyer piece and transformed it into a full length, feature act.
