This time, his talents are purchased by The Fear Institute as they hunt for the Phobic Animus - the embodiment of fear. The three Institute members, led by Cabal and his Silver Key, enter the Dreamlands and find themselves pursued by walking trees plagued with giant ticks, stone men that patrol. Johannes Cabal and his rather inexact powers of necromancy are back once more.

The third book in the Johannes Cabal series, The Fear Institute continues the Genre Shift style of the series by combining Howard's style with that of Lovecraft in a more explicit way than the other books, which all show Lovecraftian influence.

Johannes Cabal and the Fear Institute (Literature) - TV Tropes

Convicted criminal and notorious snob, Johannes Cabal considers himself first and foremost a scientist. He is dedicated to the pursuit of life after death, or rather curing death itself. His interest lies in restoring people exactly as they were, not in raising an army of the undead.
