Keys to Reading an Annual Report (Barron's Business Keys ...

If you ' re looking at a business with an interest in investing in it, you need to read its financial reports. Of course, when it comes to the annual report, you don ' t need to read everything, just the key parts. Combining the annual report with some of the financial reports a corporation files with the Securities and Exchange Commission (SEC) can help you figure profitability and liquidity ratios and get a better sense of cash flow.

How to cut through the public relations jargon and analyze a company's financial health and future prospects as it's spelled out in an annual report. Sound advice for non-expert investors in the stock market. New topics covered and explained in this edition include annual reports on the Internet, materiality, and financial derivatives. Titles in the easy-to-understand Business Keys series are directed at consumers and non-professionals, with advice on saving, investing, protecting assets, and increasing wealth through prudent money management. The books define terms, cut through business jargon, speak in plain language, and take the mystery out of business.
