history, with ten guided walks that combine clear maps and directions with richly detailed anecdotes. [It] reveals a subterranean network that spreads from picturesque Hampstead in the North to the suburbs of the South, and runs beneath some of London's most iconic sites and historic areas. Follow these forgotten trails, and the city's past is brought to vivid life, populated by famous and infamous characters."--Back cover.

Celebrates the city's church heritage with a guide to its structures, providing a description, history, date of construction, location, and operating hours for each building.

Walking London is the essential companion for any urban explorer—visitor or native—committed to discovering the true heart of one of the world's greatest capital cities. In 30 original walks, distinguished historian Andrew Duncan reveals miles of London's endlessly surprising landscape. From wild heathland to formal gardens, cobbled mews to elegant squares and arcades, bustling markets to tranquil villages—Duncan reveals the pick of the famous sights, but also steers walkers off the tourist track and into the city's hidden corners. Handsomely illustrated with specially commissioned color photographs and complete route maps, the book provides full details of addresses, opening times and the best bars and restaurants to visit en route.

# Download Ebook Londons Hidden Walks Volume 1

From the sources of the Fleet in Hampstead's ponds to the mouth of the Effra in Vauxhall, via the meander of the Westbourne through 'Knight's Bridge' and the Tyburn's curve along Marylebone Lane, London's Lost Rivers unearths the hidden waterways that flow beneath the streets of the capital. Paul Talling investigates how these rivers shaped the city - forming borough boundaries and transport networks, fashionable spas and stagnant slums - and how they all eventually gave way to railways, roads and sewers. Armed with his camera, he traces their routes and reveals their often overlooked remains: riverside pubs on the Old Kent Road, healing wells in King's Cross, 'stink pipes' in Hammersmith and gurgling gutters on streets across the city. Packed with maps and over 100 colour photographs,

London's Lost Rivers uncovers the watery history of the city's most famous sights, bringing to life the very different London that lies beneath our feet.

Charles Dickens and London are inextricably linked. The world-famous English writer lived in London for much of his life and is buried in Westminster Abbey. And it was London and its inhabitants that provided Dickens with the inspiration for so many of his works. Walking Dickensian London allows you to visit the locations mentioned in his works and to see the development of Victorian London. Additional routes offer an escape to Cobham or Rochester for a longer country stroll and to discover more about the places where Dickens spent his happy early childhood and

# Download Ebook Londons Hidden Walks Volume 1

retired in his final years. Each walk takes you through an area used as the setting for one or more of Dickens's novels, from the peaceful, cobble-stoned, and lamp-lit Inns of Court featured in *Great Expectations* to the slums of Holborn portrayed in *Oliver Twist*. Along the way, you will see the homes of the Victorian great and good, as well as those of the lowlier characters, who made an impression on Dickens in both his personal and professional life. There is also an opportunity to sample authentic fare at the public houses that Dickens frequented. Together with 19th-century engravings and pertinent excerpts from Dickens's works, Richard Jones takes you back in time to the once crowded Docklands, where the river thronged with clippers trading goods from around the world, and the elite of Holland Park

# Download Ebook Londons Hidden Walks Volume 1

with their garden parties and literary dinners. Illustrated with atmospheric color photographs, which capture the pockets of Dickensian London still evident today, *Walking Dickensian London* is the perfect companion to discovering the London that Dickens knew so well. ... Publisher description.

In its two thousand years of history, London has ruled a rainy island and a globe-spanning empire, it has endured plague and fire and bombing, it has nurtured and destroyed poets and kings, revolutionaries and financiers, geniuses and visionaries of every stripe. To distill the magic and the majesty of this infinitely enthralling city into a single brief volume would seem an impossible task—yet acclaimed

# Download Ebook Londons Hidden Walks Volume 1

biographer and novelist A. N. Wilson brilliantly accomplishes it in *London: A History*. Founded by the Romans, London was a flourishing provincial capital before falling into ruin with the rest of the Roman Empire. Centuries passed before the city rose to prominence once again when William the Conqueror chose to be crowned king in Westminster Abbey. In Chaucer's day, London Bridge opened the way for expansion over the Thames. By the time Shakespeare's plays were being mounted at the Globe, London was a dense, seething, and explosively growing metropolis—a city of brothels and taverns and delicate new palaces and pleasure gardens. With deftly sketched vignettes and memorable portraits in miniature, Wilson conjures up the essence of London through the ages—high finance and

# Download Ebook Londons Hidden Walks Volume 1

gambling during the Georgian age, John Nash ' s stunning urban makeover at the dawn of the Industrial Revolution, the waves of building and immigration that transformed London beyond recognition during the reign of Queen Victoria, the devastation of the two world wars, the painful and corrupt postwar rebuilding effort, and finally the glamorous, polyglot, expensive, and sometimes ridiculous London of today. Every age had its heroes and villains, from church builder Christopher Wren to jail breaker Jack Sheppard, from urbane wit Samuel Johnson to wartime prime minister Winston Churchill, and Wilson places each one in the drama of London ' s history. Exuberant, opinionated, surprising, often funny, A. N. Wilson ' s London is the perfect match of author and subject. In a one short

# Download Ebook Londons Hidden Walks Volume 1

irresistible volume, Wilson gives us the essence of the people, the architecture, the intrigue, the art and literature and history that make London one of the most fascinating cities in the world.

Lady Angeline Dudley, who harbors a secret desire for a simple marriage in spite of expectations that she marry a wealthy, titled man, must come up with a plan when she falls for an earl who does not return her feelings.
