A lookbook is a collection of photographs compiled to show off a model, photographer, style, stylist, or clothing line. Usually, bloggers or vloggers will “model” fashionable looks for that month or season. This gives viewers ideas on how to style outfits, or to show what the latest fashions are. It is an especially popular term with “fashion bloggers”.

A lookbook can be a powerful marketing tool to help you create an emotional connection with your audience and market a lifestyle with your product. Secure more leads, sales, and conversions. However, success is a matter of implementing the right visual content and text to bring your story out, combined with smart marketing tactics to promote your lookbook. By showing your products in real-life ...

How to create a powerful lookbook and get more customers

Look&Book helps you find out where an Instagram photo was taken and which flights you need to book to get there. Watch our video for some inspiration. It's as simple as a tap. Simply take a screenshot of a European destination you like the look of and upload it to Look&Book in our app. We'll then tell you where it is and which flights will get you there. We recommend using Instagram ...
