One thing, though- John Macionis churns out a new edition almost every year, it seems. There is already a 7th edition out. You could probably get away with buying an older edition and still do well in your sociology class. Check with your instructor to make sure. My Soc class actually requires this 6th edition, but I am using the 5th edition ...

For courses in Introductory Sociology Change the way your students see the world In Revel(TM) Society: The Basics , author John Macionis empowers your students to change the way they view the world by showing them how to see sociology in everyday life. Throughout this brief text, Macionis takes an enlightening and practical approach to the traditional three-perspectives approach, guiding students step by step through the theories and research that make up the discipline. By challenging the way they think about both their own lives and society as a whole, Macionis helps students achieve a better understanding of the world we all share. The 15th Edition offers a new chapter dedicated to the history, evolution, and impact of social media plus engaging new features such as the Pearson Originals docuseries and Current Event Bulletins. Revel is Pearson's newest way of delivering our respected content. Fully digital and highly engaging, Revel replaces the textbook and gives students everything they need for the course. Informed by extensive research on how people read, think, and learn, Revel is an interactive learning environment that enables students to read, practice, and study in one continuous experience - for less than the cost of a traditional textbook. NOTE: This Revel Combo Access pack includes a Revel access code plus a loose-leaf print reference (delivered by mail) to complement your Revel experience. In addition to this access code, you will need a course invite link, provided by your instructor, to register for and use Revel.

"A comprehensive introduction to urban sociology"" "Cities and Urban Life," written by two of the best-known authors in the field, provides a comprehensive introduction to urban sociology, urban anthropology and urban studies. The focus of the text is sociological, but it also incorporates research and theory from other disciplines. Learning GoalsUpon completing this book, readers will be able to: Understand how cities and urban life vary according to time and place Understand how cities reflect society and culture Use a global perspective to explore urban sociology Explore how cities reflect the human condition Note: MySearchLab with eText does not come automatically packaged with this text. To purchase MySearchLab, please visit: www.mysearchlab.com or you can purchase a valuepack of the text + MySearchLab (at no additional cost): ValuePack ISBN-10: 0205902588 / ValuePack ISBN-13: 9780205902583

Seeing Sociology in your Everyday Life Sociology, 15/e empowers students to see the world around them through a sociological lens, helping them better understand their own lives. The text is written to help students find and use the science of social behavior in everyday life. John Macionis, author of the best-selling Introductory Sociology franchise over the last three decades, takes students step-by-step through the theories and research that make up the discipline of sociology. This narrative, along with a global perspective, makes for an accessible and relevant introduction to sociology. MySocLab is an integral part of the Macionis learning program. In concert with the main text, it helps readers build their critical thinking skills while learning the fundamentals of sociology. Engaging activities and reliable assessments provide a digital learning system that helps students succeed in the course. With MySocLab, students can watch the latest entries in the Core Concept Video Series in sociology, explore real-world data through the new Social Explorer, and develop critical thinking skills through facilitated writing activities. Teaching and Learning Experience This program will provide a better teaching and learning experience-- for you and your students. It: Personalizes Learning with MySocLab: MySocLab is an online homework, tutorial, and assessment program. It helps students prepare for class and instructor gauge individual and class performance. Improves Critical Thinking: A new learning system includes detailed objectives linked to the narrative, media resources, and assessment program. Engages Students: Allows students to gain insight into sociology. Connects to the World Today: This title encourages students to connect themes through the title to their own lives. Sociology, Fifteenth Edition is also available via REVEL(tm), an immersive learning experience designed for the way today's students read, think, and learn. Note: This is the standalone book, if you want the book/access card order the ISBN below: 0205988350 / 9780205988358 Sociology Plus NEW MySocLab with Pearson eText -- Access Card Package Package consists of: 0205206530 / 9780205206537 NEW MySocLab with Pearson eText -- Valuepack Access Card 0205985602 / 9780205985609 Sociology

A consistent best-seller, the wide-ranging and authoritative Dictionary of Sociology was first published in 1994 and contains more than 2,500 entries on the terminology, methods, concepts, and thinkers in the field, as well as from the related fields of psychology, economics, anthropology, philosophy, and political science. For this fourth edition, Professor John Scott has conducted a thorough review of all entries to ensure that they are concise, focused, and up to date. Revisions reflect current intellectual debates and social conditions, particularly in relation to global and multi-cultural issues. New entries cover relevant contemporary concepts, such as climate change, social media, terrorism, and intersectionality, as well as key living sociologists. This Dictionary is both an invaluable introduction to sociology for beginners, and an essential source of reference for more advanced students and teachers.
