Hogan shows that God's way of managing money really works. Millionaire status doesn't require inheriting a bunch of money or having a high-paying job. The path to becoming a millionaire is paved with tools that you either already have or that you can learn. Take personal responsibility; practice intentionality; be goal-oriented, a hard worker; and be consistent. If you adopt this mindset, you, too, can become a millionaire. -- adapted from foreword and introduction

Guaranteed Millionaire provides you with one of the best opportunities to double your wealth and family assets. This book will show you step by step everything you need to know to easily turn your family estate into accumulated riches. Protect your wealth from tax collectors and greedy lawsuits, plus the ravages of divorce, illness, and accidents. Reduce or eliminate probate and taxes entirely. Understand the secrets lawyers use to build wealth and protect their clients. Includes a foreword by radio's Bruce Williams, ten asset protection tips anyone can use to protect against lawsuits or financial grief, sample legal documents and a glossary of terms. From the Author: I am ready to transfer my most specialized strategies to you. These are the legal loopholes my wealthiest clients have paid me thousands to research and implement for them. I am on a mission to give everyone the opportunity to use these techniques. I have given thousands of seminars throughout the United States and Canada on asset protection to more than a million people. Doctors, engineers, architects, small business owners, and even lawyers have collectively paid millions of dollars to attend my seminars. I strongly feel the information in my seminars is necessary for every family, especially considering today's complex society. This book gives readers a mega dose of what I lecture about.

Here's what, Marshall Sylvler, "author of "Passion, Profit, and Power" says: "Is your life and everything you want worth 7 minutes per day to you? The mind is a muscle and like all muscles it must be stretched and exercised. In this book The 7 Minute Millionaire Tony Neumeyer lays down in easy to understand terms how you can create PPM's or Personal Programming Messages that will positively impact you all day long. I know this works because these strategies took me from poor farm boy to self-made multi-millionaire. You will love the book. Even better you will love your new life once you put this book into practice." ----- How to Think Yourself Rich; is that really possible? What does it mean? First, it means creating the life you desire and have always wanted. The 7-Minute Millionaire - How To Think Yourself Rich, gives you the exact methodology used by the author to create and earn millions of dollars. Tony Neumeyer came from humble beginnings, and in his early twenties, went into real estate sales and development. Due to a significant market reversal, he was forced into a devastating bankruptcy, but Tony bounced back, and grew a fortune using what he lays out in his book. Wherever you are in your life, the step by step unique strategies in the pages of The 7-Minute Millionaire will help you to create whatever it is you are after. Business, financial, personal relationships, health goals, and more, are all achievable using this simple method. Using the focused techniques laid out in this book creating success habits, he doubled his real estate sales in a year, while creating a multimillion-dollar business at the same time. You may have some gotten into some bad habits in life, but it is important to know you can create good habits as well; habits of success that will create the life and financial status you choose. But this is not a book of fluff; be prepared to do some work. Chapter one, "Who's In Charge Anyway?" will begin by asking you to do the first of a series of practical exercises, designed to build upon each other through a process that will lead you to the point of creating your own Personal Programing Message (PPM). This will be the foundation of creating everything you want in your life. Later, in chapter eight, you will discover that no matter what business, job, or circumstance you are in, "The Razor's Edge Reality" will not only virtually eliminate your competition, it will help you to realize there isn't any competition to concern yourself with in the first place. Tony's tried, true and unique techniques will arm you with strategies to achieve exactly what you set your heart and mind upon. Throughout the book, he draws from his own personal experience as well as diverse sources of wisdom and inspiration. Tony shows you not only how to build your own personal wealth but also happiness, health and anything else you want to achieve. With The 7-Minute Millionaire: prepare to Think Yourself Rich and live your dreams!"

Confucius said that a thousand-mile journey begins with a single step. The same principle applies to becoming a self-made millionaire, except this journey is a little shorter, comprising just 52 common sense practices. Featuring interviews with a wide-ranging list of self-made millionaires, you will be astonished to see how anyone can achieve this status by creating the right mindset. You will learn how white-collar professionals, blue-collar workers, small business owners, even teenagers alike have joined this million-dollar net worth club by methodically and consistently putting into practice the self-made millionaire game plan revealed in this book. In What Self-Made Millionaires Do that Most People Don't, Ann Marie Sabath makes it easy for you to implement these simple strategies by posing a question at the end of each section to help you begin your own self-made millionaire journey. What Self-Made Millionaires Do that Most People Don't will teach you: How to create a self-made millionaire mindset. The 25 habits all accomplished individuals have in common. How self-made millionaires benefit from "failure." Powerful advice for anyone ready to begin their self-made millionaire journey. OK, you've been given the rod, now go fish!

From two leaders of the FIRE (Financial Independence, Retire Early) movement, a bold, contrarian guide to retiring at any age, with a reproducible formula to financial independence A bull***t-free guide to growing your wealth, retiring early, and living life on your own terms Kristy Shen retired with a million dollars at the age of thirty-one, and she did it without hitting a home run on the stock market, starting the next Snapchat in her garage, or investing in hot real estate. Learn how to cut down on spending without decreasing your quality of life, build a million-dollar portfolio, fortify your investments to survive bear markets and black-swan events, and use the 4 percent rule and the Yield Shield--so you can quit the rat race forever. Not everyone can become an entrepreneur or a real estate baron; the rest of us need Shen's mathematically proven approach to retire decades before sixty-five.

Providing simple step-by-step strategies to make real money online, the author, a millionaire Internet entrepreneur, offers a blueprint to online success, along with practical advice and essential tools.

"I couldn't recommend this more highly. Scott explains the basic of investing in simple English. It's solid advice; the kind you rarely get from the talking heads on TV, radio, and the rest of the media. Scott backs it all up with good solid research; this is not his opinion, it's facts, but presented in a way that your Grandmother could understand." - Dr. Barry H. Kaplan, EA, CFP, Chief Investment Officer, Cambridge Wealth Counsel Are you worried and stressed out about not having enough money to retire? Do you unsure of how to build wealth for the long term? Or maybe you've been thinking of investing for quite some time now, and you just don't know how to get started. The whole thing seems too complex and overwhelming. This conversational and action oriented book is for people who want to get started investing (or are thinking about it), but have never understood why or how - no matter your age or how much money you have to invest. Investing has always been made out to be difficult for you, and you think you couldn't do it yourself, much less retire rich. Every time you think about it, you get overwhelmed and afraid of making a costly mistake. You know the drill. You get ready to do something - maybe on your own or in your employer's retirement plan. Then ... You find yourself lost in all the jargon and get-rich-quick schemes. You have no idea what to do. After some time, you give up and just let whatever money you have sit in a savings account earning no interest. Or worse - you ask somebody else to do it for you and trust it will turn out ok (hint - it won't). There are TONS of myths, misconceptions, and flat-out lies out there about how difficult it is to build wealth. 99 Minute Millionaire busts those myths and challenges everything you've been told about investing. This book contains proven solutions that every new and experienced investor needs to know - no matter what financial challenges you face. 99 Minute Millionaire Gives You The Path To Building Wealth Why many investors fail, and how you can ensure you don't How you can make the most money with very little work Important decisions every investor should be aware of 14 common and costly mistakes investors make How to manage your money like a pro The truth about financial advisors and investing professionals And much more! Follow the advice given in this book and by the end, after putting what I have to say into action, you will be a better investor than most professionals. Best of all, the rest of your life doesn't have to be put on hold to do it either! This book shows you how you can continue to spend most of your time doing what you love instead of struggling to manage your money. Before your buy the book, I have one question for you: What's stopping you from taking 99 minutes to improve the quality of your finances and put you on the path to financial freedom? Scroll to the top and click the "buy now" button and you will become a great investor-- and have your money make you more money.
