Making Modern Muslims The Politics Of Islamic Education In Political aspects of Islam are derived from the Quran, Hadith literature, and sunnah, history of Islam, and elements of political movements outside Islam. Traditional political concepts in Islam include leadership by elected or selected successors to Muhammad known as Caliphs; the importance of following Islamic law or Sharia; the duty of rulers to seek Shura or consultation from their subjects; and the importance of rebuking unjust rulers. A significant change in the Muslim world was the defeat

Political aspects of Islam - Wikipedia

Islamic Modernism is a movement that has been described as "the first Muslim ideological response to the Western cultural challenge"[Note 1] attempting to reconcile the Islamic faith with modern values such as democracy, civil rights, rationality, equality, and progress. It featured a "critical reexamination of the classical conceptions and methods of jurisprudence" and a new approach to Islamic theology and Quranic exegesis. It was the first of several Islamic movements – including ...
