public sector projects can be prone to failure. But the public sector think they have a solution to this problem.

~~Project Management in the Public Sector - Government ...~~

In many instances, project management has been introduced as a means of increasing the probability of on-time and within-budget delivery. Public sector organizations and government ministries are no exception. This paper discusses the state of projects and project management within one of the largest government ministries in Trinidad and Tobago.

an enabling environment for national development. Public Sector management covers such aspects of management as productivity management, and management of human, financial and other resources.

~~CHAPTER 19 PUBLIC SECTOR MANAGEMENT INTRODUCTION~~

Before the Project Management Institute was formed in 1969, the term “program management” was as common as “project management”. Program management referred mainly to work by public sector agencies. This webinar will discuss the role of program management in government. If you work in government, or want to know more about project and program management in government, this is the webinar for you.
