Techniques

The history of
Chinese medicine
hinges on three
major turning
points: the
formation of
canonical theory in
the Han dynasty;
the transformation
of medicine via the

File Type PDF Manuscript Of

Integration of
earlier medical
theories and
practices in the
Song dynasty; and
the impact of
Western medicine
from the nineteenth
century onwards.
This book offers a
comprehensive
overview of the
crucial second
stage in the

File Type PDF

Manuscript Of

evolution of

Chinese medicine
by examining the
changes in Chinese
medicine during the
pivotal era of the
Song dynasty.

Scholars often
characterize the
Song era as a time
of change in every
aspect of political,
social, intellectual
or economic life.

File Type PDF

Manuscript Of

More specifically it

focuses on three
narratives of

change: the

emperor's interest

in medicine

elevated the status

of medicine in the

eyes of the elite,

leading to an

increased

involvement of

intellectuals and the

literary elite in

Daoyin, the
traditional Chinese
practice of guiding
the qi and

File Type PDF

Manuscript Of

stretching the body
is the forerunner of
Qigong, the modern
form of exercise
that has swept
through China and
is making
increasing inroads
in the West. Like
other Asian body
practices, Daoyin
focuses on the body
as the main vehicle
of attainment; sees

File Type PDF

Manuscript Of

health and spiritual transformation as one continuum leading to perfection or self-realization; and works intensely and consciously with the breath and with the conscious guiding of internal energies. This book explores the different forms of

File Type PDF Manuscript Of

Daoyin in historical
sequence, beginning
with the early
medical

manuscripts of the
Han dynasty, then
moving into its
religious adaptation
in Highest Clarity
Daoism. After
examining the
medieval Daoyin
Scripture and ways
of integrating the

File Type PDF

Techniques

In this book,
Miranda Brown
investigates the
myths that
acupuncturists and
herbalists have told
about the birth of
the healing arts.
Moving from the
Han (206 BC – AD

File Type PDF
Manuscript Of

220) and Song
(960 – 1279)
dynasties to the
twentieth century,
Brown traces the
rich history of
Chinese medical
historiography and
the gradual
emergence of the
archive of medical
tradition. She
exposes the
historical

File Type PDF

Manuscript Of

circumstances that
shaped the current
image of medical
progenitors: the
ancient

bibliographers,
medieval editors,
and modern
reformers and
defenders of
Chinese medicine
who contributed to
the contemporary
shape of the

File Type PDF
