From Tokyo to New York, Alpine Mountains to Pedigree Parks, children are taken on a whirlwind journey around the globe, solving puzzles along the way. A brilliant introduction to maps without the aid of technology. Illustrations: Full colour throughout

Welcome to this unique educational sentence maze book. In fact, this book is fashioned to train your mind by helping you to increase your focus ability. It is also a fun way of learning states and capitals of the fifty states of the United States of America. Each maze layout contains the state and its capital city. However, your task is to figure out where the full sentence is hidden in the maze. You can search the maze in different directions (up, down, left or right) except diagonally.

Download Ebook Map Maze Book

Make sure the sentence flows freely without any line blocking the next word. You are sure to find this sentence maze amazing while having fun solving over 50 puzzles. This puzzle book also contains the map of each state apart from the map of the US. Go ahead and have fun

Discover paw prints, furry tails and all kinds of animal tracks and trails to touch and feel.

The definitive guide for helping inmates cope with their day-to-day correctional experience and for those who work with millions of ex-offenders, especially family members and correctional personnel. It offers an in-depth mental and emotional roadmap from felony conviction through five years
