The Group 5: Mathematics subjects of the IB Diploma Programme consist of four different mathematics courses. To earn an IB Diploma, a candidate must take one of the following four mathematics courses: Mathematical Studies SL, Mathematics SL, Mathematics HL or Further Mathematics HL. Further Mathematics HL can also be taken as an elective in addition to Mathematics HL. The Computer science SL and HL courses, which were elective courses in group 5, is, for first examinations in 2014, a full course

International Baccalaureate (IB) The International Baccalaureate (IB) offers a series of programmes aimed at providing an internationally recognised qualification for students around the world. The IB Diploma Programme is aimed at students aged 16 to 19, for the final two years of high school. We have developed a series of textbooks to align with the new Diploma Programme Mathematics courses for first teaching in August 2019.
