"In Trading Mentors, Philip Teo, a long-time associate, interviews a number of highly successful traders; not searching for the magic bullet, but for insight, wisdom and practical guidance." - PETER L. BRANDT, CEO of Factor Trading and Author of Diary of a Professional Commodity Trader "Trading Mentors is full of practical advice. The book covers methods that range from the discretionary, to the systematic, to the algorithmic trading approach. There was also a wealth of information on how to manage your trading risks and acquire a winning mind-set. In summary, this is the book that deserves a place on your bookshelf." - RAY BARROS, Founder of BarroMetrics Trading School and Author of The Nature of Trends "Trading Mentors by Philip is now one of the books I would recommend to anyone who wants to learn trading. The light-hearted conversational style of the book will keep the pages turning. A delightful read!" - NITHIN KAMATH, Founder and CEO of Zerodha Take A Sneak Peek Into The World Of Trading! Are you a new trader looking to learn essential trading knowledge so that you can start your journey towards profitable trading on the right footing? Or have you been trading for a while now but are still struggling because you don't know who you can trust to learn your trading skills from? In the world of trading, it is vital that you learn from the pioneers who are already playing at the top level of this competitive arena. How can you become a profitable independent trader regardless of your knowledge and experience level? This book serves as a positive first step for embarking on your journey toward trading proficiency on a strong foundation. After working hard and accumulating some savings, you contemplate whether to allow your bank deposits to be devalued by inflation-or you can find a way to trade your way to financial freedom. If you decide to take control of your financial destiny, the ten trading mentors profiled in this book will help shorten your learning curve to profitability by guiding you through their own trading styles and revealing their strategies to

you. Trading Mentors is one of the few books on the market that introduces you to the experiences of 10 successful independent traders who have dug through the trenches and emerged on the other side. Each of them explains their unique trading methodologies and best practices so that you can implement what fits you the best and grow into the ultimate trader you can possibly become. Say yes to a new challenge and upgrade your trading game today! "Trading Mentors is a book that can significantly increase your odds of success in the market by viewing it from different perspectives and using it as a guide to developing your own approach." - EDWARD K. LEE, Founder and Chairman of COL Financial Group "I found Trading Mentors to be an excellent read and exceptionally helpful for the novice or struggling traders. The book appropriately stresses risk management, which is the most important aspect of prudent and successful trading. Overall, I highly recommend this book." - JAMES CHEN, CMT, CFTe, Director of Trading & Investing at Investopedia "Mentorship is the secret sauce to rapid success! Well done to Philip for assembling a stellar line-up of mentors to share their secrets. Trading Mentors will add massive value to the entire global trading community!" - MARIO SINGH, Founder and CEO of Fullerton Markets
