Global Business Today is for the undergraduate or MBA level course of International Business where a concise paperback is desired. Global Business Today appeals to instructors looking for an analytical (as opposed to a descriptive) approach to the course. Global Business Today is known for being practical, which is an important point as many instructors who teach this course are often not researchers, but come from the business world. The text is influenced by each of the author's extensive global consulting experience for Fortune 500 companies.

This text provides comprehensive coverage for instructors and students alike. Section one defines the nature of international business, section two looks at international

reversed. Political conflicts, economic disruptions, and realignment of security arrangements have all created challenges for global business. Around the world, support for global economic integration and engagement appears to be on the decline. In this new, eleventh edition of International Management, we have retained the strong and effective foundations gained from research and practice over the past decades while incorporating the important latest research and contemporary insights that have changed the context and environment for international management. Several trends have emerged that pose both challenges and opportunities for international managers"--
