Memories Of Another Day

We listened to A Stone for Danny Fisher (which we loved) as well as Never Love a Stranger (pretty good) and now Memories of Another Day (least favorite of the 3). This story features Daniel Boone Huggins who was raised in a poor, sometimes violent, West Virginia household and then rose to become a feared head of a Labor union.

Plato perceived that the contemplative maiden was busy with memories of the past. The boys returned to their memories of insult, as they regarded the police force. It makes another link between us, like the memories of our childhood. Not all the memories of that early day are quite unspotted by remorse. She alone was left, heir to all the memories and tragedies of the house.
