While the vehicle can operate if it moves into gear, the chances of breaking the shift cable is high, and this will leave you stranded. In cases where the transmission shift cable breaks between gears, it is likely the transmission will be locked into park, reverse, or neutral, even though the gear selector reads drive or a lower range.

We spend countless hours training our dogs, but how often do we consider what they have to teach us? “ Our canine companions aren ’ t just our best friends, ” explains Tami Simon. “ Sometimes they can also be carriers of a special medicine and the wisdom lessons we most need. ” The Dharma of Dogs shares the reflections of spiritual teachers and writers who have found a source of deep truth and practical wisdom beneath the furry surface of our four-legged friends. For anyone who loves dogs—and who has learned and grown through this special relationship—these 31

Planning is changing. It is imperative in order to survive financially to understand these confusing changes and make them work to your advantage. These issues particularly affect baby boomers caring for aging parents or planning their own retirement and financial future. This book shows you what to expect, what these changes mean and how to make these changes work to your advantage. Consumer finance expert and nationally syndicated radio host Steve Weisman begins with a complete guide to your retirement investment choices, from IRAs and 401Ks to the latest insurance products... even new techniques, such as reverse mortgages. Drawing on his exceptional expertise as a financial planner and attorney specializing in elder care issues, Weisman presents insights you can't find elsewhere: simply, painlessly, and with welcome humor.

Fea offers an even-handed primer on whether America was founded to be a Christian nation, as many evangelicals assert, or a secular state, as others contend. He approaches the title's question from a historical perspective, helping readers see past the emotional rhetoric of today to the recorded facts of our past. Readers on both sides of the issues will appreciate that this book occupies a middle ground, noting the good points and the less-nuanced arguments of both sides and leading us always back to the primary sources that our shared American history comprises.

This book comes with a 50-card full-color deck with stories, poems, over 150 questions and answers, plus jokes and riddles, along with an adorable plush animal companion. Consumable.
