Multiculturalism In A Global Society

Multiculturalism in Global Society explores the concepts and debates surrounding the complex modern phenomenon of multiculturalism, and its varied effects on the advanced industrial nations of the world. With remarkable clarity and concision, it focuses on the interrelated ties of ethnicity, race, and nationalism in a world where globalizing processes have made such ties increasingly important in economic, political, and cultural terms.

## Multiculturalism In A Global Society

Multiculturalism seeks the inclusion of the views and contributions of diverse members of society while maintaining respect for their differences and withholding the demand for their assimilation into the dominant culture. Multiculturalism as a challenge to traditional liberalism. Multiculturalism stands as a challenge to liberal democracy. In liberal democracies, all citizens should be treated equally under the law by abstracting the common identity of "citizen" from the real social ...
