I bought this book for my North American bosses whose Japanese wives recently had their first children. It caught my eye for the ABC aspect and lovely watercolor illustrations; however, this book turned out to be even more of a gem than I'd originally thought, with its clever rhyming making the cultural and linguistic tidbits even more catchy for readers young and old.

My First Book of Japanese Words is a beautifully illustrated book that introduces young children to Japanese language and culture through everyday words. The words profiled in this book are all commonly used in the Japanese language and are both informative and fun for English-speaking children to learn. The goals of My First Book of Japanese Words are multiple: to familiarize children with the sounds and structure of Japanese speech, to introduce core elements of Japanese culture, to illustrate the ways in which languages differ in their treatment of everyday sounds and to show how, through cultural importation, a single word can be shared between languages. Both teachers and parents will welcome the book's cultural and linguistic notes and appreciate how the book is organized in a familiar ABC structure. Each word is presented in Kanji (when applicable), Kana, and Romanized form (Romaji). With the help of this book, we hope more children (and adults) will soon be a part of the 125 million people worldwide that speak Japanese!

"Simple text paired with themed photos invite the reader to learn to speak Japanese"--Provided by publisher.

My First Japanese Kanji Book is an inventive and unique introduction to kanji for children. Written by the mother-daughter team of Eriko and Anna Sato, this lovely book introduces 109 kanji characters to children with poems and illustrations. It includes all the Japanese Government-specified first grade level kanji characters and a sprinkling of simple second to sixth grade characters. The kanji are introduced in the context of 36 colorful paintings and poems by 14-year-old Anna Sato, herself a kanji learner. Each of the poems is presented in both Japanese and English, and all kanji are accompanied by furigana (small hiragana letters), stroke-order diagrams, sample vocabulary and boxes for writing practice. A charming and educational volume, My First Japanese Kanji Book can be used as a self-study text, a supplementary material in Japanese language schools or a gift book for family or friends. An MP3 audio CD reinforces learning and ensures correct pronunciation.

Illustrations and rhyming text introduce a variety of Japanese foods.

Did you ever want to teach your kids the basics of Japanese Hiragana ? Learning Japanese Hiragana can be fun with this picture book. In this book you will find the following features: Japanese Hiragana Alphabets Japanese Hiragana Words English Translations

My First Book of Haiku Poems introduces children to inspirational works of poetry and art that speak of our connection to the natural world, and that enhance their ability to see an entire universe in the tiniest parts of it. Each of these 20 classic poems by Issa, Shiki, Basho, and other great haiku masters is paired with a stunning original painting that opens a door to the world of a child's imagination. A fully bilingual children's book, My First Book of Haiku Poems includes the original versions of the Japanese poems (in Japanese script and Romanized form) on each page alongside the English translation to form a complete cultural experience. Each haiku poem is accompanied by a "dreamscape" painting by award-winning artist Tracy Gallup that will be admired by children and adults alike. Commentaries offer parents and teachers ready-made "food for thought" to share with young readers and stimulate a conversation about each work.

For every young dancer who finds that her body is not perfect . . . the story puts physical defects into perspective and offers something to laugh about at the same time.--Booklist. Full color.

An accessible introduction to the rich language and culture of Japan, this tote-able Japanese language collection makes an artful addition to any library, as well as an ideal travel primer and companion for aspiring Japanese speakers. Pairing words and characters with whimsical illustrations, each section features examples of word pronunciation, the three main Japanese writing systems (kanji, hiragana, and katakana), and common Japanese elements. At once instructive and a joy to behold, Let's Learn Japanese is a go-to gift for the world traveler and language learner.

With this Japanese book for children, your whole family can experience the wonder and excitement that these well-loved tales bring to story time or bedtime reading. Welcome to a fantastic world populated by mischievous monkeys, a dragon king and a host of other beloved characters who have lived on for centuries in the traditional tales of Japan. Drawn from folklore passed down from generation to generation, the ten enchanting stories collected in this Japanese children's book have been lovingly retold for today's readers. Vibrantly illustrated in full color and packed with thrilling adventures, funny discoveries, and valuable lessons, they're sure to become story time favorites and serve as an introduction to Japanese culture. Included are some of Japan's classic folktales: The Spider Weaver Little One-Inch The Badger and the Magic Fan Mr. Lucky Straw Why the Jellyfish Has No Bones The Old Man Who Made Trees Blossom The Crab and the Monkey The Ogre and the Rooster The Rabbit Who Crossed the Sea The Grateful Statues Readers of any age and background will find much to love and return to time & again in Little One-Inch And Other Japanese Children's Favorite Stories.

The book consists of Elementary and Pre-intermediate courses with parallel Japanese-English texts. The author maintains learners' motivation with funny stories about real life situations such as meeting people, studying, job searches, working etc. The ALARM method (Approved Learning Automatic Remembering Method) utilize natural human ability to remember words used in texts repeatedly and systematically. The author composed each sentence using only words explained in previous chapters. The second and the following chapters of the Elementary course have about 30 new words each. The book is equipped with the
