**Stories** mismanagement crisis. Two years later, after the resignation of President and founder W. C. Durant, Mr. Sloan and the du Ponts assumed management responsibility and began to develop the delicate balance between centralized operational responsibility that has made General Motors competitive in policy as

# Access Free My Years With General Motors And Other

Stories as in product. In Part I Mr. Sloan describes the evolution of the company's basic management policies and strategic concepts: the organizational policy, the concept of financial control, and the product policy which revolutionized the automobile market long dominated by Henry Ford's Model T. In the early 1920s

# Access Free My Years With General Motors And Other

Mr. Sloan recognized the importance of offering the public "a car for every purse and purpose" and of upgrading cars for an increasingly prosperous, consumer oriented society. Part II takes the reader behind the scenes into many operating phases of the corporation: its specialized staffs, non-automotive divisions, and

# Access Free My Years With General Motors And Other

Specific management problems. Mr. Sloan's vivid narrative is illuminated with lively quotations from the record as he describes some of the most dramatic events in American industrial history. This is the authentic inside story of how modern management techniques enabled General Motors to triumph in the roaring
