The 2014 Guide prepares students for all aspects of the NPTE. The revised Content Outline changes the focus of the NPTE, and our authors, instructors, and items writers have created new questions, content, and teaching strategies to help students pass the revised exam.

With over 1,200 multiple choice review questions written to parallel the content and format of the National Physical Therapy Board Examination (NPTE), Saunders' Q&A Review for the Physical Therapy Board Examination provides more NPTE practice than any other review resource available. Strengthen your understanding of core principles across the full spectrum of physical therapy practice with comprehensive exam practice from specialty experts. This title includes additional digital media when purchased in print format. For this digital book edition, media content is not included. More than 1,200 multiple-choice questions test your understanding of key content across a variety of practice environments, including schools, hospitals, and communities. Organized by topic, it parallels the content and proportional question breakdown of the board examination to familiarize you with the testing format. Correct answers, detailed rationales, and specific references help you get more out of your study time.

The Key To Success on the National Physical Therapy Exam! Earn Your Licensure with the Help of this Student-Friendly Board Review Includes Practice Exam with 500+ Q&A – IN THE BOOK AND ONLINE! Brimming with color illustrations, numerous tables, valuable chapter Summaries, checklists, end-of-chapter Q&A, plus a 500+ practice exam (in the book and online), this visually appealing and highly engaging review is the perfect way to prepare for the National Physical Therapy Examination (NPTE™) for physical therapy licensure. This user-friendly review is written to parallel the exam and offers concise information on a broad range of topics found on the actual exam. Within its pages you will find insights from expert professional physical therapists on each component of the exam, encompassing a complete review of essential NPTE content. Here's why this is the ultimate National Physical Therapy Examination review. •Valuable introductory chapter details what to expect on exam day and reveals test-taking strategies designed to maximize your score•Chapter-ending multiple-choice questions test your knowledge of specific topics•Each chapter opens with "High-Yield Terms to Learn" and concludes with a checklist of what you should know or be able to do upon completing the chapter•Color highlighted summary tables encapsulate important information, making it easy to study and remember•A practice exam with 510 questions and answers tests your readiness for exam day•Logical systems-based chapter coverage, plus special topics such as geriatrics and pediatrics

YOUR COMPLETE NPTE SUCCESS GUIDE! Everything you need to pass the NPTE on your first try is right here! This all-in-one study guide gives you a concise review of the curriculum that's consistent with the NPTE content outline. You'll also get access to 500 exam-simulating Q&As, available for download. It adds up to the most comprehensive, confidence-boosting package for acing the exam! This score-boosting all-in-one package gives you: Coverage that spans the entire physical therapy curriculum - and all the content tested on the NPTE Quick-study content review format Exam-style questions and answers at the end of each chapter 500 exam-format questions and answers that simulates the real exam, available for download

*TherapyEd's 2011 NPTE Review and Study Guide is the industry's most respected and comprehensive guide. It's authors, Susan O'Sullivan and Raymond Siegelman, are two of the most distinguished educators in the profession, and our exceptional contributors include program directors, senior faculty members, board certified specialists, and experienced clinicians. The 2011 Review and Study Guide prepares students for the NPTE with a comprehensive review of physical therapy content, study and test-taking strategies, state licensure information, and three complete simulated exams on CD. Each of the 600 questions has complete rationales for all correct and incorrect choices and a second critical reasoning rationale identifies the reasoning strategy used (inductive, deductive, analysis, inference, or evaluation), methodology required, and specific area of knowledge needed to correctly answer each question. The New CD has Pass the NPTE software that provides the unique ability to create an exam using the entire 600 question database. Test yourself in specific domains, content categories, and critical reasoning skills, or limit the number of questions to fit the time available. The software is the most advanced in the industry and improves your exam performance efficiently and effectively.™--Résumé de l'éditeur.
