When the Sudanese civil war reaches his village in 1985, 11-year-old Salva becomes separated from his family and must walk with other Dinka tribe members through southern Sudan, Ethiopia and Kenya in search of safe haven. Based on the life of Salva Dut, who, after emigrating to America in 1996, began a project to dig water wells in Sudan. By a Newbery Medal-winning author.

Dad says because of the army he stood shoulder to shoulder with polar bears and watched the sun rise over the frozen fields of Alaska, which sounds really exciting. And because of the Army he slept in sludge, shoulder to shoulder with snakes and watched the sun set over the swamps of Alabama -- which does not. In a timely, but not politically charged way, author Alan Madison looks at the way a family copes with having a parent away on a 100 day, 99 night military tour of duty through the eyes of the very loveable Esmeralda (Esme) Swishback McCarthur. Esme wants to be good while her dad is away. In fact, she feels like it's her duty to be good. But being good can be hard, especially if you have a little brother like Ike. By following Esme's story, as she awaits her father's return, readers will see how heroism can translate to every member of a family. Aside from the military families that this book serves, readers who wonder what it would be like if their mother, father, brother, or sister was sent away will relate to Esme's quiet strength and candor and will understand her worry about what could happen. This story has the potential to speak to readers on a personal level and to turn a concept that seems so hard to grasp--war--into one that feels much more personal.

From acclaimed author of *A Wolf Called Wander*, Rosanne Parry welcomes readers into the Heartland in this tender coming-of-age story. When Brother's dad is shipped off to Iraq, along with the rest of his reserve unit, Brother must help his grandparents keep the ranch going. He ' s determined to maintain it just as his father left it, in the hope that doing so will ensure his father ' s safe return. The hardships Brother faces will not only change the ranch, but also reveal his true calling.

The Apollo 11 astronaut invites young people to evaluate Mars as a potential planet for human colonization, and describes what Mars residents might experience while traveling to and living on the Red Planet.

A MEMOIR BY THE YOUNGEST RECIPIENT OF THE NOBEL PEACE PRIZE As seen on Netflix with David Letterman "I come from a country that was created at midnight. When I almost died it was just after midday." When the Taliban took control of the Swat Valley in Pakistan, one girl spoke out. Malala Yousafzai refused to be silenced and fought for her right to an education. On Tuesday, October 9, 2012, when she was fifteen, she almost paid the ultimate price. She was shot in the head at point-blank range while riding the bus home from school, and few expected her to survive. Instead, Malala's miraculous recovery has taken her on an extraordinary journey from a remote valley in northern Pakistan to the halls of the United Nations in New York. At sixteen, she became a global symbol of peaceful protest and the youngest nominee ever for the Nobel Peace Prize. I AM MALALA is the remarkable tale of a family uprooted by global terrorism, of the fight for girls' education, of a father who, himself a school owner, championed and encouraged his daughter to write and attend school, and of brave parents who have a fierce love for their daughter in a society that prizes sons. I AM MALALA will make you believe in the power of one person's voice to inspire change in the world.

In a future where most people have computer implants in their heads to control their environment, a boy meets an unusual girl who is in serious trouble.

Critically acclaimed when it was first published, Tuck Everlasting has become a much-loved, well-studied modern-day classic. This anniversary edition features an in-depth interview conducted by Betsy Hearne in which Natalie Babbitt takes a look at Tuck Everlasting twenty-five years later. What if you could live forever? Is eternal life a blessing or a curse? That is what young Winnie Foster must decide when she discovers a spring on her family ' s property whose waters grant immortality. Members of the Tuck family, having drunk from the spring, tell Winnie of their experiences watching life go by and never growing older. But then Winnie must decide whether or not to keep the Tucks ' secret--and whether or not to join them on their never-ending journey. Praise for Tuck Everlasting by Natalie Babbitt: " A fearsome and beautifully written book that can't be put down or forgotten. " —The New York Times " Exciting and excellently written. " —The New York Times Book Review " With its serious intentions and light touch the story is, like the Tucks, timeless. " —Chicago Sun-Times " Probably the best work of our best children's novelist. " —Harper's " Natalie Babbitt's great skill is spinning fantasy with the lilt and sense of timeless wisdom of the old fairy tales. . . . It lingers on, haunting your waking hours, making you ponder. " —The Boston Globe " This book is as shapely, crisp, sweet, and tangy as a summer-ripe pear. " —Entertainment Weekly This title has Common Core connections.

Winner of the Newbery Medal and the National Book Award! This #1 New York Times bestselling, modern classic in which boys are forced to dig holes day in and day out is now available with a splashy new look. Stanley Yelnats is under a curse. A curse that began with his no-good-dirty-rotten-pig-stealing-great-great-grandfather and has since followed generations of Yelnatses. Now Stanley has been unjustly sent to a boys ' detention center, Camp Green Lake, where the boys build character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn ' t take long for Stanley to realize there ' s more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something. But what could be buried under a dried-up lake? Stanley tries to dig up the truth in this inventive and darkly humorous tale of crime and punishment—and redemption. Includes a double bonus: an excerpt from *Small Steps*, the follow-up to *Holes*, as well as an excerpt from Louis Sachar ' s new middle-grade novel, *Fuzzy Mud*. "A smart jigsaw puzzle of a novel." --The New York Times WINNER OF THE BOSTON GLOBE-HORN BOOK AWARD A NEW YORK TIMES BOOK REVIEW NOTABLE CHILDREN'S BOOK SELECTED FOR NUMEROUS BEST BOOK OF THE YEAR AND ALA HONORS

"What if tornadoes could be stopped or slowed down? In this addition to the critically-acclaimed *Scientist in the Field* series, scientist Robin Tanamachi and her team are trying to come up with a way to predict tornadoes with even greater accuracy, and save countless lives across America's heartland."--

A shortened autobiography presenting the early life of the slave who became an abolitionist, journalist, and statesman.
