Celebrate the thirtieth anniversary of the Newbery Honor–winning survival novel Hatchet with a pocket-sized edition perfect for travelers to take along on their own adventures. This special anniversary edition includes a new introduction and commentary by author Gary Paulsen, pen-and-ink illustrations by Drew Willis, and a water resistant cover. Hatchet has also been nominated as one of America's best-loved novels by PBS's The Great American Read. Thirteen-year-old Brian Robeson, haunted by his secret knowledge of his mother's infidelity, is traveling by single-engine plane to visit his father for the first time since the divorce. When the plane crashes, killing the pilot, the sole survivor is Brian. He is alone in the Canadian wilderness with nothing but his clothing, a tattered windbreaker, and the hatchet his mother had given him as a present. At first consumed by despair and self-pity, Brian slowly learns survival skills—how to make a shelter for himself, how to hunt and fish and forage for food, how to make a fire—and even finds the courage to start over from scratch when a tornado ravages his campsite. When Brian is finally rescued after fifty-four days in the wild, he emerges from his ordeal with new patience and maturity, and a greater understanding of himself and his parents.

Max is used to being called Stupid. And he is used to everyone being scared of him. On account of his size and looking like his dad. Kevin is used to being called Dwarf. On account of his size and being some cripple kid. But greatness comes in all sizes, and together Max and Kevin become Freak The Mighty and walk high above the world. An inspiring, heartbreaking, multi-award winning international bestseller.

#1 NEW YORK TIMES BESTSELLER A REESE WITHERSPOON X HELLO SUNSHINE BOOK CLUB PICK USA Today's top 100 books to read while stuck at home social distancing "I've been a huge Jojo Moyes fan. Her characters are so compelling. . . . It's such a great narrative about personal strength and really captures how books bring communities together." --Reese Witherspoon From the author of Me Before You, set in Depression-era America, a breathtaking story of five extraordinary women and their remarkable journey through the mountains of Kentucky and beyond Alice Wright marries handsome American Bennett Van Cleve, hoping to escape her stifling life in England. But small-town Kentucky quickly proves equally claustrophobic, especially living alongside her overbearing father-in-law. So when a call goes out for a team of women to deliver books as part of Eleanor Roosevelt's new traveling library, Alice signs on enthusiastically. The leader, and soon Alice's greatest ally, is Margery, a smart-talking, self-sufficient woman who's never asked a man's permission for anything. They will be joined by three other singular women who become known as the Packhorse Librarians of Kentucky. What happens to them—and to the men they love--becomes an unforgettable drama of loyalty, justice, humanity, and passion. These heroic women refuse to be cowed by men or by convention. And though they face all kinds of dangers in a landscape that is at times breathtakingly beautiful, at others brutal, they're committed to their job: bringing books to people who have never had any, arming them with facts that will change their lives. Based on a true story rooted in America's past, The Giver of Stars is unparalleled in its scope and epic in its storytelling. Funny, heartbreaking, enthralling, it is destined to become a modern classic—a richly rewarding novel of women's friendship, of true love, and of what happens when we reach beyond our grasp for the great beyond. SOON TO BE A MAJOR MOTION PICTURE

"The right story at the right time. . . . It's not just a narrative; it's an experience. It's the novel we've been waiting for." --The New York Times A boy tries to steer a safe path through the projects in Harlem in the wake of his brother's death in this outstanding debut novel that celebrates community and creativity. \*\* WINNER OF THE CORETTA SCOTT KING JOHN STEPTOE AWARD FOR NEW TALENT \*\* MICHAEL B. JORDAN TO DIRECT MOVIE ADAPTATION SIX STARRED REVIEWS It's Christmas Eve in Harlem, but twelve-year-old Lolly Rachpaul and his mom aren't celebrating. They're still reeling from his older brother's death in a gang-related shooting just a few months earlier. Then Lolly's mother's girlfriend brings him a gift that will change everything: two enormous bags filled with Legos. Lolly's always loved Legos, and he prides himself on following the kit instructions exactly. Now, faced with a pile of building blocks and no instructions, Lolly must find his own way forward. His path isn't clear--and the pressure to join a "crew," as his brother did, is always there. When Lolly and his friend are beaten up and robbed, joining a crew almost seems like the safe choice. But building a fantastical Lego city at the community center provides Lolly with an escape--and an unexpected bridge back to the world. David Barclay Moore paints a powerful portrait of a boy teetering on the edge--of adolescence, of grief, of violence--and shows how Lolly's inventive spirit helps him build a life with firm foundations and open doors. This Newbery Honor-winning book shows us that in the steady courage of a young girl lies a profound strength that can transcend the horrors of war. This is the true story of a girl's extraordinary survival during the German occupation of Holland of World War II. Annie was only ten years old, but because she was Jewish, she was forced to leave her family, her home, and everything she knew. Annie was taken in, far from home, by complete strangers who risked everything to help her. They showed Annie where she had to stay - the cramped upstairs room of their farmhouse. She would remain there while Nazis, who were ever vigilant, patrolled the streets outside. If Annie made even a sound from upstairs, or if a nosy neighbor caught sight of her in the window, it would surely mean a death sentence for her and the family that took her in. Elie Wiesel writes, "This admirable account is as important in every aspect as the one bequeathed to us by Anne Frank." A Newbery Medal Honor Book, ALA Notable Book, and winner of the Jewish Book Council Children's Book Award. Be sure to read the moving sequel "The Journey Back" by Johanna Reiss.
