On Communalism And Globalization Offensives Of The Far Right

Communalism has been described as a sectarian exploitation of social traditions as a medium of political mobilization.

This is done to punish the interests of the entrenched groups. Thus communalism is an ideology used to fulfill socio-economic hopes of a community or social

Introduction Communalism, is referred in
the western world as a “theory or system
of government in which virtually
autonomous local communities are loosely
in federation”. Communalism is a political
philosophy, which proposes that market
