Openly Straight \u0026amp; Honestly Ben- Book DiscussionsOpenly Straight Bill Konigsberg

In Openly Straight, Mr Konigsberg explores, among other things, labeling and stereotyping, identity and self-perception, and the triptych 'tolerance-acceptance-celebration' when it comes to difference/diversity. The book is well-written, in a fresh and funny and a largely non-sententious way.

Openly Straight (Openly Straight, #1) by Bill Konigsberg

“ Bill Konigsberg hands a great “ high concept ” to a really compelling narrator and presents us with a terrific read. Openly Straight is smart, funny and unflinching. Read this book. ” —Chris Crutcher, bestselling author of DEADLINE, WHALE TALK and PERIOD 8

Openly Straight: Amazon.co.uk: Books

Openly Straight is a 2013 young adult novel and the second book by American author Bill Konigsberg. The coming-of-age story focuses on high school junior Rafe who has been openly gay since he was in the eighth grade. When he switches to a private all boys high school across the country in Massachusetts he decides to hide his sexuality from his new classmates. The novel has been translated into German, Vietnamese, and Portuguese.

Bill Konigsberg was born in 1970 in New York City. Expectations were high from birth - at least in terms of athletics. His parents figured he'd be a great soccer player, based on his spirited kicking from inside the womb. As it turned out, the highlight of his soccer career was at Camp Greylock in 1978, when he was chosen for the Camp's "D" team.

Bill Konigsberg hands a great high concept to a really compelling narrator and presents us with a terrific read. Openly Straight is smart, funny, and unflinching. Read this book. -- Chris Crutcher, author of Deadline, Whale Talk, and Period 8

Tired of being known as "the gay kid", Rafe Goldberg decides to assume a new persona when he comes east and enters an elite Massachusetts prep school--but trying to deny his identity has both complications and unexpected consequences.

The award-winning novel about being out, being proud, and being ready for something else. Pre-order the companion novel Honestly Ben now (out 3/28/17)! Rafe is a normal teenager from Boulder, Colorado. He plays soccer. He's won skiing prizes. He likes to write. And, oh yeah, he's gay. He's been out since 8th grade, and he isn't teased, and he goes to other high schools and talks about tolerance and stuff. And while that's important, all Rafe really wants is to just be a regular guy. Not that GAY guy. To have it be a part of who he is, but not the headline, every single time.

So when he transfers to an all-boys' boarding school in New England, he decides to keep his sexuality a secret -- not so much going back in the closet as starting over with a clean slate. But then he sees a classmate breaking down. He meets a teacher who challenges him to write his story. And most of all, he falls in love with Ben... who doesn't even know that love is possible.

Tired of being known as "the gay kid", Rafe Goldberg decides to assume a new persona when he comes east and enters an elite Massachusetts prep school--but trying to deny his identity has both complications and unexpected consequences.

The companion to the award-winning *Openly Straight*, called "remarkable...deeply satisfying and as honest as its appealing protagonist" (Booklist). Perfect for fans of David Levithan, Andrew Smith, and John Green! Ben Carver is back to normal. He's working steadily in his classes at the Natick School. He just got elected captain of the baseball team. He's even won a full scholarship to college, if he can keep up his grades. All that foolishness with Rafe Goldberg the past semester is in the past. Except... There's Hannah, the gorgeous girl from the neighboring school, who attracts him and distracts him. There's his mother, whose quiet unhappiness Ben is noticing for the first time. School is harder, the pressure higher, the scholarship almost slipping away. And there's Rafe, funny, kind, dating someone else . . . and maybe the real normal that Ben needs.

Can't wait to read *Honestly Ben*, which Jay Asher called "hilarious" and "touching"? Dive into the world of Rafe and Ben with an all new ebook that picks up right where the award-winning *Openly Straight* left off! Rafe Goldberg was planning to spend winter break at home in Colorado openly mourning what he almost had with Ben. He wasn't expecting his best friend, Claire Olivia, to kidnap him. And he definitely wasn't expecting what she has planned to cheer him up... Ben Carver was honestly planning to spend winter break at home in New Hampshire not thinking about Rafe. But he wasn't expecting to run into his ex-girlfriend, who's still interested in him. And he wasn't expecting to find himself still attracted to her... *Openly, Honestly* tells two funny, sad, beautiful stories that were made for anyone who has longed for one person to see you, to understand you, and to love you exactly as you are.

The author of *Openly Straight* returns with an epic road trip involving family history, gay history, the girlfriend our hero can't have, the grandfather he never knew, and the Porcupine of Truth

Two teenagers, strangers to each other, have decided to jump from the same bridge at the same time. But what results is far from straightforward in this absorbing, honest lifesaver from acclaimed author Bill Konigsberg.

Star quarterback Bobby Framingham, one of the most talented high school football players in California, knows he's different from his teammates. They're like brothers, but they don't know one essential thing: Bobby is gay. Can he still be one of the guys and be honest about who he is? When he's outed against his will by a student reporter, Bobby must find a way to earn back his teammates' trust and accept that his path to success might be more public, and more difficult, than he'd hoped. An affecting novel about identity that also delivers great sportswriting.

* "Konigsberg demonstrates once again why he is one of the major voices in LGBTQ literature." -- Booklist, starred review Max: Chill. Sports. Video games. Gay and not a big deal, not to him, not to his mom, not to his buddies. And a secret: An encounter with an older kid that makes it hard to breathe, one that he doesn't want to think about, ever. Jordan: The opposite of chill. Poetry. His "wives" and the Chandler Mall. Never been kissed and searching for Mr. Right, who probably won't like him anyway. And a secret: A spiraling out of control mother, and the knowledge that he's the only one who can keep the family from falling apart. Throw in a rickety, 1980s-era food truck called Coq Au Vinny. Add in prickly pears, cloud eggs, and a murky idea of what's considered locally sourced and organic. Place it all in Mesa, Arizona, in June, where the temp regularly hits 114. And top it off with a touch of undeniable chemistry between utter opposites. Over the course of one summer, two boys will have to face their biggest fears and decide what they're willing to risk -- to get the thing they want the most.

Mailee and Cara take care of each other. Mailee is the star of the high school plays; Cara is the stage manager. Mailee can't keep her life together; Cara has enough organizational skills for the both of them. So when the girls are invited to visit the Haven, a commune in the mountains near their suburban Montana homes, it seems like an adventure. Until Cara starts spending every waking minute there ... and Mailee thinks it's creepy, almost like a cult. When Cara decides she's going to move to the Haven permanently, Mailee knows it's a bad idea. But how far will she go to save her best friend ... from herself?
