Operations Manager Interview Questions and Answers. Last updated on October 11th, 2020 at 07:28 am. Overseeing and coordinating day to day activities of a team, department, production plant, or an entire company, hotel or retail store, requires a variety of skills. Your interviewers will use a combination of personal, situational and behavioral questions, trying to assess whether you are the right candidate for the job—whether you have what it takes to be an excellent operations manager.
