[This is an updated and greatly expanded version of an already well-established and popular exercise manual. It provides a wide-ranging selection of illuminating, informative and entertaining problems, together with their solution. Topics include modelling and many applications of probability theory, as well as theoretical aspects. There are questions at all ability levels, the majority being of elementary or intermediate standard. Well suited as a stand alone problems and solutions manual, it also is the companion volume for the text: Probability and Random Processes 3/e](#)

[Cine-scapes explores the relationship between urban space, architecture and the moving image. While an impressive amount of research has been done with regards to the way in which architecture is portrayed in film, this book offers a new perspective. ... What happens if we begin to see the city as a place for an embodied visual consumption; a visual apparatus or, perhaps, a system that is based on movement, light and the body, and which we can explore in kinematic, kinetic, and kinaesthetic ways? Using film as a lens through which we look at urban spaces and places, Richard Koeck reveals the filmic and cinematic phenomena and spatial qualities that are present in postmodern landscapes, and which are perhaps otherwise disregarded or merely passively consumed. Drawing on the author's extensive knowledge derived from architectural and film practice, Cine-scapes, offers insight into architecture and urban debates through the eyes of a practitioner working in the fields of film and architectural design emphasizes how filmic/cinematic tendencies take place or find their way into urban practices can be used as a tool for educators, students and practitioners in architecture and urban design to communicate and discuss design issues with regard to contemporary architecture and cities Cine-scapes ignites new ways of seeing, thinking and debating the nature of architecture and urban spaces.](#)

[Filled with deliciously vivid dishes, Marrakesh Express features over 120 mouth-watering and easily reproducible recipes along with stories and images that take the reader on a journey to the legendary land of Morocco.The Moroccan culinary patrimony is rich and diverse. Strongly anchored in the Arab civilization, it uses sumptuous spices such as saffron, sweet cinnamon, and pungent clove. Its delectable fruit-inspired desserts and honey-glazed pastries evoke the scent of orange blossoms and rose. Moroccan cuisine is also unmistakably Mediterranean. Its liberal use of fresh ingredients and herbs such as coriander, mint, and rosemary places Moroccan gastronomy at the heart of Mediterranean cooking. In this book, Nisrine Merzouki celebrates her country's flavors with recipes such as Chicken Stew with Butternut Squash and Wheat Berries, Berry and Pistachio Couscous with Vanilla Yogurt and Raspberry Jelly,Tagine of Veal with Dried Apricots and Almonds, Cumin Lamb Keftas andHoney and Cinnamon Ice Cream.](#)

[How to bring peace to your home. Create your own Mother's Rule of Life, a pattern for living that combines the spiritual wisdom of the monastery with the practical wisdom of motherhood. With the help of your own rule, you can get control of your own household, grow closer to God, come to love your husband more, and raise up good Christian children.](#)

[New York City cop Miguel Rassin's life is going downhill fast. He's got a spotty record from the Army, a one-night stand who won't go away, and a flock of reporters trying to crucify him for shooting a civilian waving a toy pistol. Now kids are turning up missing in the Bronx, and he's partnered with by-the-book Detective Rob Jackson, a man with problems of his own. Their first suspect is a local shaman, Nikolai Adelman, who is either the strangest holy man ever or a con working his own angle.](#)

[From #1 New York Times bestselling author Susan Wiggs Revisit the tranquil shores of Willow Lake in this irresistible tale of a woman's emotional journey from the heartache of the past to hope for the future. With her daughter off to college, Nina Romano is ready to embark on a new adventure. Motherhood, after all, has left little time for dating, travel and chasing dreams. She decides to become the general manager of the charming Inn at Willow Lake, a place where she as fond childhood memories. But just as she begins to dream of owning the inn one day, she learns that it's been purchased by Greg Bellamy, a man with whom she has a complicated history. Greg lost his first marriage to a demanding career. Now he's determined to make a new start, and to put family first, before it's too late. Between juggling work, raising his young son and helping his nearly grown daughter face life's ultimate challenge, he has no time to fall in love. Still, with Nina Romano, this might be a chance for a new beginning. Previously published. Read the Lakeshore Chronicles Series by Susan Wiggs: Book One: Summer at Willow Lake Book Two: The Winter Lodge Book Three: Dockside Book Four: Snowfall at Willow Lake Book Five: Fireside Book Six: Lakeshore Christmas Book Seven: The Summer Hideaway Book Eight: Marrying Daisy Bellamy Book Nine: Return to Willow Lake Book Ten: Candlelight Christmas Book Eleven: Starlight on Willow Lake](#)

[Dear Reader- This is called the "back cover copy," and you are no doubt familiar with its purpose. It describes what the book is about, so you can decide if you want to read it. Here's the problem, though. I can't even describe this book, and I wrote the damn thing.\(1\) Basically, it's like this: fed up with the Byzantine quest of trying to publish a novel, I decide instead to cut to the chase and write a memoir about trying to publish a book-this book, to be precise. Of course, now you're saying to yourself, "That is stupid," which is fair. But then you'll read it, and you'll say, "Damn, that was actually pretty good." Because obviously it's about much more than just publishing a book. It's about life and love and friendship, politics, pop culture, and basketball; sex, drugs, and mild, inoffensive, slow-tempo Christian rock.\(2\) It's about the pitfalls of narrating your life as it unfolds, freaking out when an agent actually \(spoiler alert!\) takes an interest in this bizarre experiment, and the surreal shock you undergo when a publisher actually buys it\(3\) and you suddenly realize that every secret drunk, drug, and sex story you've related will now be required reading for your parents, aunts, ex-girlfriends, and thousands of strangers who-you were kind of hoping-would never find out that you once accidentally shut your penis in a dresser drawer.\(4\) And finally, but most importantly, it's about those tumultuous early years of adulthood-the years when hope and fear and rage broil together and the promise of youth still holds the capacity to inspire awe. This is a story of those struggles-to find your true voice in your work and in your life. And the best part? You pretty much know it has a happy ending.\(5\)p? 1 What's beside it on the shelf? Something with a sexy vampire? If you're looking for sexy, I do full-frontal nudity in Chapter 11. 3 And then later makes you write your own back cover copy even though you clearly do not know what you're doing. 4 Although I'll dodge a bullet there because I totally left that story out of the book. 5 Except for what happens to the puppy at the fertilizer plant. I admit, that part is kind of a downer.](#)

[Do you want to know how to make your own beautiful candles? Are you interested to know everything there is you need to know about home made candles? If you answer yes to all those questions, this book IS for you Here is what you'll learn in this candle making book: -three steps to prime your wicks -what you absolutely must not do -how to use different kinds of molds -how to choose the right wax -how to make different kinds of candles -three simple ways to use wick -excellent strategies for making different kinds of candles -expert candle maker's secret revealed -tips and tricks when it comes to selling your candles -and many more This candle making ebook is written in plain and simple English without any super complicated technical language which means ANYBODY can benefit from this ebook.](#)
