With the GQ story as its centerpiece, and featuring six additional essays plus an introduction, Pops illuminates the meaning, magic, and mysteries of fatherhood as only Michael Chabon can.

"Magical prose stylist" Michael Chabon (Michiko Kakutani, New York Times) delivers a collection of essays-heartfelt, humorous, insightful, wise-on the meaning of fatherhood. For the September 2016 issue of GQ, Michael Chabon wrote a piece about accompanying his son Abraham Chabon, then thirteen, to Paris Men's Fashion Week. Possessed with a precocious sense of style, Abe was in his element chatting with designers he idolized and turning a critical eye to the freshest runway looks of the season; Chabon Sr., whose interest in clothing stops at "thrift-shopping for vintage western shirts or Hermès neckties," sat idly by, staving off yawns and fighting the impulse that the whole thing was a massive waste of time. Despite his own indifference, however, what gradually emerged as Chabon ferried his son to and from fashion shows was a deep respect for his son's passion. The piece quickly became a viral sensation. With the GQ story as its centerpiece, and featuring six additional essays plus an introduction, Pops illuminates the meaning, magic, and mysteries of fatherhood as only Michael Chabon can.

Michael Chabon, author of The Amazing Adventures of Kavalier and Clay, Manhood for Amateurs and Moonglow, returns with a collection of heartfelt, humorous and insightful essays on the meaning of fatherhood. You are born into a family and those are your people, and they know you and they love you and if you are lucky they even, on occasion, manage to understand you. And that ought to be enough. But it is never enough What are you allowed to talk about with your children? When to step in with advice, when to let them make their own mistakes? It's more complicated than you think. Somehow you muddle through. In this heartfelt, humorous and wise book, Pulitzer Prize-winning author Michael Chabon attempts to weigh in on difficult conversations with his children, on everything from texting girls to death. But it is when he hangs back that he catches them transforming into their own people. What emerges is a father's deep respect for his children's passions and for their bravery in the face of conformity. Whether you know the joy and struggles of being a father, or were shaped by one, you will find a home in these stunning essays.

Michael Chabon, author of The Amazing Adventures of Kavalier and Clay, Manhood for Amateurs and Moonglow, returns with a collection of heartfelt, humorous and insightful essays on the meaning of fatherhood.

Essays inspired by Chabon's interactions with his four children and his own father illuminate the meaning, magic, and mysteries of fatherhood.

This timely reflection on male identity in America that explores the intersection of fatherhood, race, and hip-hop culture "is a page-turner...drenched in history and encompasses the energy, fire, and passion that is hip-hop" (D. Watkins, New York Times bestselling author). Just as his music career was taking off, Juan Vidal received life-changing news: he'd soon be a father. Throughout his life, neglectful men were the norm-his own dad struggled with drug addiction and infidelity-a cycle that, inevitably, wrought Vidal with insecurity. At age twenty-six, with barely a grip on life, what lessons could he possibly offer a kid? Determined to alter the course for his child, Vidal did what he'd always done when confronted with life's challenges-he turned to the counterculture. In Rap Dad, the musician-turned-journalist takes a thoughtful and inventive approach to exploring identity and examining how today's society views fatherhood. To root out the source of his fears around parenting, Vidal revisits the flash points of his juvenescence, a feat that transports him, a first-generation American born to Colombian parents, back to the drug-fueled streets of 1980s-90s Miami. It's during those pivotal years that he's drawn to skateboarding, graffiti, and the music of rebellion: hip-hop. As he looks to the past for answers, he infuses his personal story with rap lyrics and interviews with some of pop culture's most compelling voices-plenty of whom have proven to be some of society's best, albeit nontraditional, dads. Along the way, Vidal confronts the unfair stereotypes that taint urban men-especially Black and Latino men. "A heartfelt examination of the damage that wayward fathers can leave in their wake" (The Washington Post), Rap Dad is "rich with symbolism...a poetic chronicle of beats, rhymes, and life" (NPR).

A Best Book Of The Year Time • St. Louis Post-Dispatch • Kansas City Star San Francisco Chronicle • NPR • Seattle Times A shy manifesto, an impractical handbook, the true story of a fabulist, an entire life in parts and pieces, Manhood for Amateurs is the first sustained work of personal writing from Pulitzer Prize-winning author Michael Chabon. In these insightful, provocative, slyly interlinked essays, one of our most brilliant and humane writers addresses with his characteristic warmth and lyric wit the all-important question: What does it mean to be a man today?

A Deadspin columnist presents a heartfelt account about the ups and downs of raising a family in modern America that shares brutally honest insights into the coping mechanisms employed by today's parents, in a memoir that also shares his positive views on the strengths of American parenting.

From the author of How Should a Person Be? ("one of the most talked-about books of the year"-Time Magazine) and the New York Times Bestseller Women in Clothes comes a daring novel about whether to have children. In Motherhood, Sheila Heti asks what is gained and what is lost when a woman becomes a mother, treating the most consequential decision of early adulthood with the candor, originality, and humor that have won Heti international acclaim and made How Should A Person Be? required reading for a generation. In her late thirties, when her friends are asking when they will become mothers, the narrator of Heti's intimate and urgent novel considers whether she will do so at all. In a narrative spanning several years, casting among the influence of her peers, partner, and her duties to her forbearers, she struggles to make a wise and moral choice. After seeking guidance from philosophy, her body, mysticism, and chance, she discovers her answer much closer to home. Motherhood is a courageous, keenly felt, and starkly original novel that will surely spark lively conversations about womanhood, parenthood, and about how-and for whom-to live.

Where To Download Pops Fatherhood In Pieces

WINNER OF THE PULITZER PRIZE • NEW YORK TIMES BESTSELLER • The epic, beloved novel of two boy geniuses dreaming up superheroes in New York’s Golden Age of comics, now with special bonus material by the author—soon to be a Showtime limited series “It’s absolutely gosh-wow, super-colossal-smart, funny, and a continual pleasure to read.”—The Washington Post Book World Named one of the 10 Best Books of the Decade by Entertainment Weekly • Finalist for the PEN/Faulkner Award, National Book Critics Circle Award, and Los Angeles Times Book Prize A “towering, swash-buckling thrill of a book” (Newsweek), hailed as Chabon’s “magnum opus” (The New York Review of Books), *The Amazing Adventures of Kavalier & Clay* is a triumph of originality, imagination, and storytelling, an exuberant, irresistible novel that begins in New York City in 1939. A young escape artist and budding magician named Joe Kavalier arrives on the doorstep of his cousin, Sammy Clay. While the long shadow of Hitler falls across Europe, America is happily in thrall to the Golden Age of comic books, and in a distant corner of Brooklyn, Sammy is looking for a way to cash in on the craze. He finds the ideal partner in the aloof, artistically gifted Joe, and together they embark on an adventure that takes them deep into the heart of Manhattan, and the heart of old-fashioned American ambition. From the shared fears, dreams, and desires of two teenage boys, they spin comic book tales of the heroic, fascist-fighting Escapist and the beautiful, mysterious Luna Moth, otherworldly mistress of the night. Climbing from the streets of Brooklyn to the top of the Empire State Building, Joe and Sammy carve out lives, and careers, as vivid as cyan and magenta ink. Spanning continents and eras, this superb book by one of America’s finest writers remains one of the defining novels of our modern American age. Winner of the Bay Area Book Reviewers Award and the New York Society Library Book Award

The Pulitzer Prize-winning author’s “astonishing” debut novel, about a son’s struggle to find his own identity and integrity (The New York Times). Michael Chabon, author of *The Amazing Adventures of Kavalier & Clay*, *Moonglow*, and *The Yiddish Policeman’s Union*, is one of the most acclaimed talents in contemporary fiction. *The Mysteries of Pittsburgh*, published when Chabon was just twenty-five, is the beautifully crafted debut that propelled him into the literary stratosphere. Art Bechstein may be too young to know what he wants to do with his life, but he knows what he doesn’t want: the life of his father, a man who laundered money for the mob. He spends the summer after graduation finding his own way, experimenting with a group of brilliant and seductive new friends: erudite Arthur Lecomte, who opens up new horizons for Art; mercurial Phlox, who confounds him at every turn; and Cleveland, a poetry-reciting biker who pulls him inevitably back into his father’s mobbed-up world. A New York Times bestseller, *The Mysteries of Pittsburgh* was called “astonishing” by Alice McDermott, and heralded the arrival of one of our era’s great voices. This ebook features a biography of the author.
