The undead can really screw up your senior year . . . Marrying a vampire definitely doesn't fit into Jessica Packwood's senior year "get-a-life" plan. But then a bizarre (and incredibly hot) new exchange student named Lucius Vladescu shows up, claiming that Jessica is a Romanian vampire princess by birth—and he's her long-lost fiancé. Armed with newfound confidence and a copy of Growing Up Undead: A Teen Vampire's Guide to Dating, Health, and Emotions, Jessica makes a dramatic transition from average American teenager to glam European vampire princess. But when a devious cheerleader sets her sights on Lucius, Jess finds herself fighting to win back her wayward prince, stop a global vampire war—and save Lucius's soul from eternal destruction

The highly anticipated sequel to Jessica's Guide to Dating on the Dark Side It's one thing to find out you're a vampire princess. It's a whole other thing to actually rule. Newly married Jessica Packwood is having a hard enough time feeling regal with her husband, Lucius, at her side. But when evidence in the murder of a powerful elder points to Lucius, sending him into solitary confinement, Jessica is suddenly on her own. Determined to clear her husband's name, Jessica launches into a full-scale investigation, but hallucinations and nightmares of betrayal keep getting in her way. Jessica knows that with no blood to drink, Lucius's time is running out. Can she figure out who the real killer is—and whom she can trust—before it's too late? Exclusive e-book content includes twenty-one additional chapters that tell all the details of the beautiful and romantic wedding of Jessica and Lucius that takes place in the time between Jessica's Guide to Dating on the Dark Side and Jessica Rules the Dark Side.

A man searching for the mother who disappeared decades earlier, a high-strung teenager, a psychic who predicts a man's death and a disgraced former chief of police find their lives converging in ways that invoke formidable personal costs. By the best-selling author of Beautiful Lies. 60,000 first printing.

"Updates Robert Louis Stevenson's classic story . . . Teens who enjoy brooding love stories will not be disappointed" (School Library Journal). Jill Jekel has always obeyed her parents' rules—especially the one about never opening the mysterious, old box in her father's office. But when her dad is murdered, and her college savings disappear, she's tempted to peek inside, as the contents might be the key to a lucrative chemistry scholarship. To improve her odds, Jill enlists the help of gorgeous, brooding Tristen Hyde, who has his own dark secrets locked away. As a team, Jekel and Hyde recreate experiments based on the classic novel, hoping not only to win a prize, but to save Tristen's sanity—and maybe his life. But Jill's accidental taste of a formula unleashes her darkest nature and compels her to risk everything—even Tristen's love—just for the thrill of being bad. "Fantaskey's latest novel deliberately evokes the doppelganger theme and questionable experiments of Stevenson's The Strange Case of Dr. Jekyll and Mr. Hyde. It also owes a great deal to Stephenie Meyer's Twilight series . . . Fans of the genre won't be able to resist this slick genre update." —Booklist

Putting the dead in deadline To Bee or not to Bee? When the widely disliked Honeywell Stingers football coach is found murdered, 17-year-old Millie is determined to investigate. She is chasing a lead for the school newspaper—and looking to clear her father, the assistant coach, and prime suspect. Millie's partner is gorgeous, smart—and keeping secrets Millie joins forces with her mysterious classmate Chase who seems to want to help her even while covering up secrets of his own. She's starting to get a reputation . . . without any of the benefits. Drama—and bodies—pile up around Millie and she chases clues, snuggles Baxter the so-ugly-he's-adorable basset hound, and storms out of the world's most awkward school dance/memorial mash-up. At least she gets to eat a lot of pie. Best-selling author Beth Fantaskey's funny, fast-paced blend of Clueless and Nancy Drew is a suspenseful page-turner that is the best time a reader can have with buried weapons, chicken clocks, and a boy who only watches gloomy movies . . . but somehow makes Millie smile. Bee-lieve it.

Di lui è stato detto tutto. Prima la letteratura e l'arte, poi il cinema e la televisione lo hanno trasformato in un mito che non conosce oblio. E da quando Bram Stoker, riprendendo il vampiro ideato dal medico scrittore John William Polidori, ne ha fatto il protagonista del suo omonimo capolavoro letterario, Dracula continua a esercitare la sua perversa seduzione. Uscito dalla Storia per entrare nella finzione romanzesca, si è trasformato in archetipo delle più grandi paure: l'angoscia umana di fronte alla morte, ma quella ancora più spaventosa di un'immortalità disperata e solitaria. Con questa biografia, che unisce alla rigorosa lettura storica la voce del narratore, Lantos restituisce Vlad III voivoda di Valacchia - detto Dracul, cioè Figlio del Drago - al suo tempo e alla sua terra. Percorre a ritroso il cammino dalla leggenda all'origine del terrore evocato dal nome del primo vampiro. Vissuto nella seconda metà del Quattrocento nel principato valacco, regione aspra e inquieta che i re cristiani d'Ungheria contendevano all'espansione ottomana, Vlad è incarnazione delle contraddizioni della sua era: despota e avventuriero, indomito in battaglia e incline all'intrigo di palazzo, strenuo difensore della cristianità e principe sanguinario implacabile con i nemici, acclamato eroe nazionale conosciuto però anche col truce appellativo di Impalatore. La sua fine è, manco a dirlo, avvolta nel mistero: dopo aver trovato la morte in battaglia, combattendo i turchi, delle sue spoglie si è persa ogni traccia. Questo simbolo di assoluta violenza ferina attraverso i secoli fino a noi e il "morto non morto", oltre a nutrire con la sua fosca grandezza l'immaginario collettivo, produrrà persino emuli in carne e ossa, come ci racconta puntualmente Lantos, tragicamente noti alla cronaca.

It's 1920s Chicago—the guns-and-gangster era of Al Capone—and it's unusual for a girl to be selling the Tribune on the street corner. But ten-year-old Isabel Feeney is unusual . . . unusually obsessed with being a news reporter. She can't believe her luck when she stumbles not only into a real-live murder scene, but also into her hero, the famous journalist Maude Collier. The story of how the smart, curious, loyal Isabel fights to defend the honor of her accused friend and latches on to the murder case like a dog on a pant leg makes for a winning, thoroughly entertaining middle grade mystery.
