Shipping calculated at checkout. "Protocols: Handbook for the Female Slave" is exactly what the title says - a protocol manual. "There are as many ways of approaching an M/s relationship as there are people practicing these activities," Rubel writes. Would-be Masters who read this book may pick up a few good ideas, but they won't find any shortcuts here around the hard work of defining for themselves what the M/s relationship means and what sort of behavior they require in a slave.

[This book is a guide prepared for a slave to enable her to express her love for her Master through her actions. In this case, her actions include ways of standing, sitting and speaking (ways of being) as well as ways of preparing things to please her Master in a consensual "Master/slave" relationship]
