This will be the fourth edition of a time-tested resource for students writing papers in the fields of religion and theology. It provides essential guidance for writing assignments typical in graduate programs in religion and has served as a standard textbook for seminary research courses. The fourth edition is updated to include information on Turabian 9th edition, SBL Handbook 2nd edition, new resource lists, and additional help with online resources and formatting issues. Most importantly, this new edition is revised from the perspective of information abundance rather than information scarcity. Today's research mindset has shifted from "find anything" and "be satisfied with anything" to "choose intentionally" reliable and credible sources. Quality Research Papers will guide students through an overabundance of online and library resources and help them craft excellent essays.

Provides techniques, lessons plans, and ready-to-use assignments to help integrate the traits of good writing into all areas of the curriculum.

Practical, relevant, and reflecting the latest technologies available, RESEARCH STRATEGIES FOR A DIGITAL AGE, FOURTH EDITION, provides a thorough, step-by-step guide that helps students increase their knowledge as they develop invaluable research skills they can use for a lifetime. This text blends traditional research methods with detailed instruction on how to use and evaluate electronic research technologies.
