 Due to the cancellation of the May and June exam series in 2020, we're aware that teachers may wish to use the 2019 summer and 2019 November exam papers for mock exams. Therefore, we'll not be releasing the 2019 summer and 2019 November exam papers at this time, but we'll make them freely available for students to download at a later date.

 Understanding Set Notation Sets are often denoted using the curly brackets {}, for example the set of the first 5 odd numbers would be written with a capital such that, A={1, 3, 5, 7, 9}. It is easier to visualise multiple sets by using Venn diagrams. If we were given another set B then we can place the values of set B in circle B, and all the values of set A in circle A.
