[Simple First Words Let's Talk by - Amazon.ae](#)

I like this book, but because the sound quality isn't that great, it's not so good for teaching a toddler how to say the words. I also bought another "simple first words" book and it's the same sound quality. I don't think it's a defect, just how it's made. That said, I still give it three stars because the book is fun for my 22 month old daughter.
