I know who I am Kelvin seemed desperate to win his father's approval. However, Mr Eze not only seemed unwilling to bestow it, but hell bent in making life unbearable for his acclaimed son. Kelvin thought it would be best to find his true family rather than endure the torture of being the unwanted child. He realised that his quest for recognition was unlikely to succeed, so he set his eyes on freedom. In the meantime, Kelvin expected that a good academic performance would change his luck and put him right with Mr Eze or at least boost his confidence in his abilities. With all his attention on his studies, competing for the best grades against the leading brains in his class, especially Christian, an indomitable rival, he would not let school romance get in the way fo his goal. But slowly and steadily, Chioma, gained his trust and won him over. He would have to make a decision between holding on to his moral principle or satisfying his human desire for friendship. New Home, New Identity Marginalised and decimated, the Biafran people were forced to go to war and secede from Nigeria. But decades after losing the war and embracing the Nigerian identity, they are still not treated as equal citizens in their home country. As a new wave of terrorism sweeps the northern parts of the country, the Biafran people, predominantly Igbo are again decimated as they have been for decades in every crises and this led to renewed discussions about their independence. For Biafra, the fight for equality was over and their Sovereignty was not negotiable. For

Kelvin, it wasn't very different, and so his quest for truth and independence must begin. His compulsory holiday in Igbo land would expose him to the truth that might have indirectly caused him to abandon his academic pursuit. Perhaps, it was just an excuse to free himself from the clutch of Mr Eze and begin his quest for the truth about his identity.

This Companion offers a thorough, concise overview of the emerging field of humanities computing. Contains 37 original articles written by leaders in the field. Addresses the central concerns shared by those interested in the subject. Major sections focus on the experience of particular disciplines in applying computational methods to research problems; the basic principles of humanities computing; specific applications and methods; and production, dissemination and archiving. Accompanied by a website featuring supplementary materials, standard readings in the field and essays to be included in future editions of the Companion.

Public Information Technology: Policy and Management Issues constitutes a survey of many of the most important dimensions of managing information technology in the public sector. Written by noted academics and public administration practitioners, this book addresses general policy and administrative issues in this arena as well as the information technology skills needed by public managers.

This Companion offers an extensive examination of how new technologies are changing the nature of literary studies, from scholarly editing and literary criticism, to interactive fiction and immersive environments. A complete overview exploring the application of computing in literary studies Includes the seminal writings from the field Focuses on methods and perspectives, new genres, formatting issues, and best practices for digital preservation Explores the new genres of hypertext literature, installations, gaming, and web blogs The Appendix serves as an annotated bibliography

The number of homeless people in America has continued to grow at an alarming rate since the 1970s. Yet many members of the general public still have far more questions than answers about the magnitude and implications of this complex social problem and the reasons for its persistence. Now the answers can be found in *Homelessness in America*, the most current, comprehensive, and authoritative volume available on this subject. Focusing on the broad social issue of homelessness, the book's 19 essays offer in-depth examinations of policy-related issues by noted social workers, researchers, advocates, and other experts in

the field. Chapter topics include the causes and prevention of homelessness, national and local advocacy movements, the local regulation of public space, and current policies on employment, income maintenance, and housing. Up-to-date statistics and tables are included along with an extensive bibliography and an appendix listing national or state advocacy organizations.

501 Synonyms and Antonym Questions is designed to help students prepare for the verbal sections of most assessment and entrance exams. The book increases a student's vocabulary and refines their knowledge of words, bringing about higher standardized test scores and more effective verbal and written communication. Questions in this book prepare students for the synonym and antonym problems found on most standardized tests—including high school entrance exams, the SAT, civil service exams, and the GRE. The book increases in difficulty as students move through each exercise. All answers are explained, featuring short definitions and terms that clarify word meanings and their opposites for effective studying and positive reinforcement.
