vital part of learning statistics. This text emphasizes data analysis through interpretation of the results from Excel, reducing the focus on doing the computations.

Statistics for Managers Using Microsoft Excel - Pearson

Business Emphasis: Students need to be shown the relevance of statistics. Statistics for Managers Using Microsoft Excel, 5/e presents each statistical topic in an applied context related to at least one of the functional areas of business—accounting, finance, information systems, management, and marketing. The focus in teaching each topic is on its application in business, the interpretation of results, the
