John C Hull Options Solutions Manual [34m7208j2m46]

This book contains solutions to the Practice Questions that appear at the ends of chapters in my book Options, Futures, and Other Derivatives, 9th edition, Global Edition. The questions have been designed to help readers study on their own and test their understanding of the material.

Student Solutions Manual for Options, Futures, and Other ...

The solutions manual solves the problems and explains the solutions in a very easy to follow manner. The only "issue" is that it seems like the text and solutions manual were written by two different people and solve problems using different approaches. It shouldn't be a problem for anyone that has some finance courses under their belt.
