10 Tips for Success at an Assessment Centre - dummies

Overview. Assessment centres are becoming more and more popular with organisations. Their ability to provide a real insight into a candidate's potential value and performance in a role mean they are a powerful tool for employers. With over 15 years as a recruiter, and an extensive track record designing assessment centres for small businesses and global brands, Aimee talks you through what to expect on the day, how to perform at your best, and how to think like the assessor.

How To Succeed At Assessment Centres | Careercake

Assessment centres are often the final stage of the selection process for large graduate recruiters. What happens at an assessment centre? Assessment days can be held anywhere from the employer's offices to a hotel or training facility. You will work both individually and as part of a group on a variety of exercises, including: case studies

What to expect at your assessment centre: A step-by-step guide

Assessment Centres typically last a half day, or a day, and for a sales role will normally involve a sales presentation, a one-on-one interview, psychometric profiling, formal skills testing, a debate and a group exercise (which normally involves some elements of project management, planning, assimilating information, looking at financials, marketing and lateral thinking).

Succeed at Assessment Centres | Aaron Wallis Sales Recruitment

An assessment centre or assessment day is a common way for employers to bring together and assess a group of candidates for a particular company or role. It is a full or half-day event where you must complete a series of exercises and tests that help employers evaluate your suitability and choose the right person for the job.
