When you choose adoption, that is only the first step in a lifelong journey on which you are about to embark. There will be many other decisions that come with the adoption choice as well as a flood of emotion and indecision that may occur as well. Adoption is a beautiful and amazing option but comes with its fair share of roller coaster moments.

What You Need to Know About Choosing ... - Adoption Option

Some families choose to adopt because they believe they will be saving a child who otherwise would not grow up with the benefits of a loving and supportive family. Such a belief in the goodness of saving a child through adoption often has its genesis in adoptive parent's religious, ethical, and/or emotional feelings and their desire to make the world a better place, even if only for a single child or a few children.
